OPEN LETTER
TO THE PRESIDENT OF THE UNITED STATES OF AMERICA
DONALD J. TRUMP

Sunday, October 25, 2020
Solemnity of Christ the King

Mister President,

Allow me to address you at this hour in which the fate of the whole world is being threatened by a global conspiracy against God and humanity. I write to you as an Archbishop, as a Successor of the Apostles, as the former Apostolic Nuncio to the United States of America. I am writing to you in the midst of the silence of both civil and religious authorities. May you accept these words of mine as the "voice of one crying out in the desert" (Jn 1:23).

As I said when I wrote my letter to you in June, this historical moment sees the forces of Evil aligned in a battle without quarter against the forces of Good; forces of Evil that appear powerful and organized as they oppose the children of Light, who are disoriented and disorganized, abandoned by their temporal and spiritual leaders.

Daily we sense the attacks multiplying of those who want to destroy the very basis of society: the natural family, respect for human life, love of country, freedom of education and business. We see heads of nations and religious leaders pandering to this suicide of Western culture and its Christian soul, while the fundamental rights of citizens and believers are denied in the name of a health emergency that is revealing itself more and more fully as instrumental to the establishment of an inhuman faceless tyranny.

A global plan called the ***Great Reset*** is underway. Its architect is a global élite that wants to subdue all of humanity, imposing coercive measures with which to drastically limit individual freedoms and those of entire populations. In several nations this plan has already been approved and financed; in others it is still in an early stage. Behind the world leaders who are the accomplices and executors of this infernal project, there are unscrupulous characters who finance the *World Economic Forum* and *Event 201*, promoting their agenda.

BOOMS EN_ROUTE TOMORROW.
This is not a drill.
Q

Screen_Shot_2020_10_22_at_6_48_37_PM.png

Q, you magnificent bastard!

Elf4vVlWoAAJHjQ.jpg

The purpose of the *Great Reset* is the imposition of a health dictatorship aiming at the imposition of liberticidal measures, hidden behind tempting promises of ensuring a universal income and cancelling individual debt. The price of these concessions from the International Monetary Fund will be the renunciation of private property and adherence to a program of vaccination against Covid-19 and Covid-21 promoted by Bill Gates with the collaboration of the main pharmaceutical groups. Beyond the enormous economic interests that motivate the promoters of the *Great Reset*, the imposition of the vaccination will be accompanied by the requirement of a health passport and a digital ID, with the consequent contact tracing of the population of the entire world. Those who do not accept these measures will be confined in detention camps or placed under house arrest, and all their assets will be confiscated.

Mr. President, I imagine that you are already aware that in some countries the *Great Reset* will be activated between the end of this year and the first trimester of 2021. For this purpose, further lockdowns are planned, which will be officially justified by a supposed second and third wave of the pandemic. You are well aware of the means that have been deployed to sow panic and legitimize draconian limitations on individual liberties, artfully provoking a world-wide economic crisis. In the intentions of its architects, this crisis will serve to make the recourse of nations to the *Great Reset* irreversible, thereby giving the final blow to a world whose existence and very memory they want to completely cancel. But this world, Mr. President, includes people, affections, institutions, faith, culture, traditions, and ideals: people and values that do not act like automatons, who do not obey like machines, because they are endowed with a soul and a heart, because they are tied together by a spiritual bond that draws its strength from above, from that God that our adversaries want to challenge, just as Lucifer did at the beginning of time with his "*non serviam*."

Many people – as we well know – are annoyed by this reference to the clash between Good and Evil and the use of "apocalyptic" overtones, which according to them exasperates spirits and sharpens divisions. It is not surprising that the enemy is angered at being discovered just when he believes he has reached the citadel he seeks to conquer undisturbed. What is surprising, however, is that there is no one to sound the alarm. The reaction of the deep state to those who denounce its plan is broken and incoherent, but understandable. Just when the complicity of the mainstream media had succeeded in making the transition to the New World Order almost painless and unnoticed, all sorts of deceptions, scandals and crimes are coming to light.

Until a few months ago, it was easy to smear as "conspiracy theorists" those who denounced these terrible plans, which we now see being carried out down to the smallest detail. No one, up until last February, would ever have thought that, in all of our cities, citizens would be arrested simply for wanting to walk down the street, to breathe, to want to keep their business open, to

Elf4vVoW0AUO87D.jpg

want to go to church on Sunday. Yet now it is happening all over the world, even in picture-postcard Italy that many Americans consider to be a small enchanted country, with its ancient monuments, its churches, its charming cities, its characteristic villages. And while the politicians are barricaded inside their palaces promulgating decrees like Persian satraps, businesses are failing, shops are closing, and people are prevented from living, traveling, working, and praying. The disastrous psychological consequences of this operation are already being seen, beginning with the suicides of desperate entrepreneurs and of our children, segregated from friends and classmates, told to follow their classes while sitting at home alone in front of a computer.

In Sacred Scripture, Saint Paul speaks to us of "the one who opposes" the manifestation of the *mystery of iniquity*, the *kathèkon* (2 Thess 2:6-7). In the religious sphere, this obstacle to evil is the Church, and in particular the papacy; in the political sphere, it is those who impede the establishment of the New World Order.

As is now clear, the one who occupies the Chair of Peter has betrayed his role from the very beginning in order to defend and promote the globalist ideology, supporting the agenda of the deep church, who chose him from its ranks.

Mr. President, you have clearly stated that you want to defend the nation – *One Nation under God*, fundamental liberties, and non-negotiable values that are denied and fought against today. It is you, dear President, who are "the one who opposes" the deep state, the final assault of the children of darkness.

For this reason, it is necessary that all people of good will be persuaded of the epochal importance of the imminent election: not so much for the sake of this or that political program, but because of the general inspiration of your action that best embodies – in this particular historical context – that world, our world, which they want to cancel by means of the lockdown. Your adversary is also our adversary: it is the Enemy of the human race, He who is "a murderer from the beginning" (Jn 8:44).

Around you are gathered with faith and courage those who consider you the final garrison against the world dictatorship. The alternative is to vote for a person who is manipulated by the deep state, gravely compromised by scandals and corruption, who will do to the United States what Jorge Mario Bergoglio is doing to the Church, Prime Minister Conte to Italy, President Macron to France, Prime Minster Sanchez to Spain, and so on. The blackmailable nature of Joe Biden – just like that of the prelates of the Vatican's "magic circle" – will expose him to be used unscrupulously, allowing illegitimate powers to interfere in both domestic politics as well as international balances. It is obvious that those who manipulate him already have someone worse than him ready, with whom they will replace him as soon as the opportunity arises.

Elf4vVkX0AAMM0b.jpg

And yet, in the midst of this bleak picture, this apparently unstoppable advance of the "Invisible Enemy," an element of hope emerges. The adversary does not know how to love, and it does not understand that it is not enough to assure a universal income or to cancel mortgages in order to subjugate the masses and convince them to be branded like cattle. This people, which for too long has endured the abuses of a hateful and tyrannical power, is rediscovering that it has a soul; it is understanding that it is not willing to exchange its freedom for the homogenization and cancellation of its identity; it is beginning to understand the value of familial and social ties, of the bonds of faith and culture that unite honest people. This *Great Reset* is destined to fail because those who planned it do not understand that there are still people ready to take to the streets to defend their rights, to protect their loved ones, to give a future to their children and grandchildren. The leveling inhumanity of the globalist project will shatter miserably in the face of the firm and courageous opposition of the children of Light. The enemy has Satan on its side, He who only knows how to hate. But on our side, we have the Lord Almighty, the God of armies arrayed for battle, and the Most Holy Virgin, who will crush the head of the ancient Serpent. "If God is for us, who can be against us?" (Rom 8:31).

Mr. President, you are well aware that, in this crucial hour, the United States of America is considered the defending wall against which the war declared by the advocates of globalism has been unleashed. Place your trust in the Lord, strengthened by the words of the Apostle Paul: "I can do all things in Him who strengthens me" (Phil 4:13). To be an instrument of Divine Providence is a great responsibility, for which you will certainly receive all the graces of state that you need, since they are being fervently implored for you by the many people who support you with their prayers.

With this heavenly hope and the assurance of my prayer for you, for the First Lady, and for your collaborators, with all my heart I send you my blessing.

God bless the United States of America!

At a press conference at the Interfax-Ukraine agency on Wednesday, MP Andriy Derkach announced that deputies have received new materials from investigative journalists about international corruption and the participation of Ukrainian officials in it.

"Last week, November 14, the Prosecutor General's Office (PGO), unnoticed by the media, announced a new suspicion to the notorious owner of Burisma, ex-Ecology Minister Zlochevsky. According to the suspicion, the Yanukovych family is suspected, in particular, with legalizing (laundering) of criminally obtained income through Franklin Templeton Investments, an investment fund carrying out purchases of external government loan bonds totaling $7.4 billion," Derkach said.

With reference to the investigation, he emphasized: it was money criminally obtained by the "family" of Yanukovych and invested in the purchase of Ukrainian debt in 2013-2014.

For his part, MP Oleksandr Dubinsky from the Servant of the People faction said that according to investigators, "the Yanukovych 'family' illegally obtained $7.4 billion and laundered the funds through an investment fund close to some representatives of the U.S. Democratic Party in the form of external government loan bonds."

Meanwhile, Derkach said that several facts indicate Franklin Templeton Investments' relationship with the U.S. Democratic Party.

"The son of Templeton's founder, John Templeton Jr., was one of President Obama's major campaign donors. Another fund-related character is Thomas Donilon. Managing Director of BlackRock Investment Institute, shareholder Franklin Templeton Investments, which has the largest share in the fund. It is noteworthy that he previously was Obama's national security advisor," Derkach said.

Lawfare Accomplice to Dem Peach Mint Debacle Goes All in on #MuhRussia2020

Before more journos go peddling this @nypost story, they should do some diligence on the cover story for how Giuliani got the "hard drive." Giuliani has been conspiring with Russian agents for months, including someone the US says is actively trying to interfere in this election

Why would the FBI subpoena the computer? If the store owner could give it to Giuliani, he could give it to the FBI. Makes no sense.

And let's remember, Burisma was hacked last fall by Russia.

Do not be complicit in spreading Russian efforts to interfere in the election.

House Intelligence Committee to Hold Virtual Open Hearing on Misinformation and Conspiracy Theories Online

Washington, DC – On Thursday, October 15, 2020 at 1:30 pm ET, the House Permanent Select Committee on Intelligence (HPSCI) will convene a virtual unclassified hearing entitled, "Misinformation, Conspiracy Theories, and 'Infodemics': Stopping the Spread Online."

Conspiracy theories and misinformation narratives that prey on individuals' fears and uncertainties continue to mar the online landscape. Against the backdrop of a global pandemic, an economy in turmoil, and a tumultuous presidential campaign, there is ample terrain for malicious actors at home or malign foreign operatives and governments abroad to exploit such tensions by stoking chaos and dangerous, even life-threatening, untruths. Recent trends in the spread and reach of misleading or unfounded claims online have the unsettling potential to come to a head after Election Day – particularly if the certified outcome is unknown or contested in the ensuing days and weeks.

Although the seeds for many conspiracies and misinformation narratives – ranging from baseless QAnon posts, to dangerous coronavirus skepticism and denialism, to falsehoods about mail-in ballots – are often homegrown and amplified by American voices, the propaganda and covert influence machines of foreign adversaries have nonetheless repeated and amplified them in the service of strategic interests.

In the hearing, the Committee will examine:

- the intersection of and divergences between different online conspiracy and misinformation narratives;
- the role of social media platforms in the proliferation and deceleration of such content;
- how foreign actors are taking advantage of misinformation circulating U.S. online communities;
- steps that the US government and private sector need to take in response; and
- the implications for our social and political discourse beyond Election Day 2020.

WHO: Dr. Joan Donovan, Research Director, Shorenstein Center on Media, Politics, and Public Policy, Harvard Kennedy School
Ms. Nina Jankowicz, Disinformation Fellow, the Wilson Center
Ms. Cindy Otis, Vice President, Alethea Group
Ms. Melanie Smith, Head of Analysis, Graphika Inc.

WHAT: House Intelligence Committee Open Virtual Hearing: "Misinformation, Conspiracy Theories, and 'Infodemics': Stopping the Spread Online"

WHEN: Thursday, October 15, 2020 at 1:30 pm ET

Palpatine's Revenge

Dooku joined the group.

Dooku
RR isn't taking shit.. and he knows our friends have stuff on him

Dooku
I'm hearing Mueller, maybe by the end of the week

Severus
Hearing that too.. WH will be blind-sided. Let's put MF back in the news? Can have S draw up memo on Turkey. With Erdogan thugs beating protesters in streets, it fits news cycle, and I'm sure we'll need a few more "memos" down the road. Good practice😉

Huck
I'm in. S, you in here? Our friends in NY still have secure connection set up waiting

Roger
MF was mentioned in company group too... Evidently their work on the limey is paying off.

Dooku
Paying off how?

Dooku
Getting to him?

Roger
Yea.. he mentioned Limey in a call earlier this week. Scared shitless

Severus
He isn't brightest bulb, but that project has worked perfectly.

Roger
It really has. Huck, didn't AEWP mention it when we gave him that tape?

Huck
Not AE, but someone else there. Not sure who. I wasn't listening in, but our carrier pigeon said in debrief that they said something along lines of: "No wonder no one in our business has called Limey out, what's the point when you all keep bringing us great stuff? It actually helps our pageviews when she gets all of her minions fired up with dumb shit first"

Severus
That's fuckin amazing

Juules
Hey all, been watching in. Here with S in GT outpost. All go from us. Huck, will send memo to usual place. Do your magic.

Juules
Roger, any update on Camp Eagle?

Roger
Asset en route. Don't expect much from it. He's been out far too long

Juules
Figures. Ok, Huck, keep that connection open and expect something to come through pipeline a little later. Just stall them. RM is happening tonight, so they'll have plenty to cover.

Dooku
Tonight. Fuck. Quicker than I thought

Huck
Connection will remain open. Let me know if we want to tip on RM

Juules
Just let it ride

Juules
Today's time is up. Everyone knows what to do. Tomorrow will be busy day for all, so will let everyone know time when S hears from grapevine

Pope Francis declined to see Secretary of State Mike Pompeo, who is demanding a harder Vatican line on China. The Holy See said meeting just before a U.S. election would be inappropriate.

ROME — Secretary of State Mike Pompeo recently published a sharp letter excoriating the Vatican's plans to renew an agreement with the Chinese government on Church operations in China. He promoted the article in a tweet, concluding, "The Vatican endangers its moral authority, should it renew the deal."

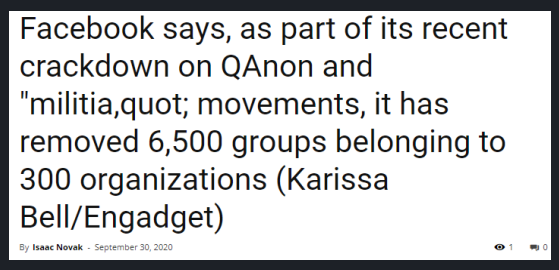

An indignant Vatican took the article more as a calculated affront than a diplomatic gesture. The friction broke into the open on Wednesday as Mr. Pompeo arrived in Rome and met with prelates and others who are hostile to Pope Francis, while the Vatican denied him a meeting with the pontiff and rebuffed his efforts to derail the deal with China.

"Pompeo asked to meet" the pope, who turned him down because Francis had "clearly said that he does not receive political figures ahead of the elections," Cardinal Pietro Parolin, who, as secretary of state, is the Vatican's second-ranking official, told reporters.

But to some observers on both sides of the tensions between the Roman Catholic Church and the Trump administration, Mr.

Pompeo's visit is as much about the coming presidential election as about China policy. Mr. Pompeo dismissed that suggestion as absurd, but intended or not, his trip signals that President Trump is on the side of those conservative American Catholics who worry about the church's direction under Francis and think he is soft on China.

Francis and Mr. Trump, who have exchanged sharp words in the past, present starkly different visions on issues ranging from the environment to immigration to the threat of populism. In appealing to the Vatican's support for religious freedom as a reason to drop its China agreement, Mr. Pompeo seemed to seek common ground, but in a way that upset the pope's chief allies and delighted his chief critics.

Cardinal Parolin said Mr. Pompeo's article had caused "surprise" at the Vatican, because this visit to Rome by the secretary and the meetings with high officials at the Holy See had already been in the works and would have been a "more opportune" forum for airing grievances. He added that Mr. Pompeo's choice to publish in First Things, a conservative Christian magazine that has called Francis a failure as Pope, also mattered.

Some believe the protection of Agency is what matters most.
Some believe the declassification **[public exposure of truth]** and rebuilding of Agency is what matters most.
Apply same to FBI.
Apply same to State.
.....
Any attempt to buck the system, no matter severity of crime, and they will fight back **[self-preservation]**.
SHADOW GAME.
Prevent public exposure of truth.
Why?
PEOPLE **[UNITED]** HAVE THE POWER.
That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, –That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.
Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that the harder the conflict, the more glorious the triumph.

Chairman Graham,

In response to your request for Intelligence Community (IC) information related to the Federal Bureau of Investigation's (FBI) Crossfire Hurricane Investigation, I have declassified the following:

- In late July 2016, U.S. intelligence agencies obtained insight into Russian intelligence analysis alleging that U.S. Presidential candidate Hillary Clinton had approved a campaign plan to stir up a scandal against U.S. Presidential candidate Donald Trump by tying him to Putin and the Russians' hacking of the Democratic National Committee. The IC does not know the accuracy of this allegation or the extent to which the Russian intelligence analysis may reflect exaggeration or fabrication.
- According to his handwritten notes, former Central Intelligence Agency Director Brennan subsequently briefed President Obama and other senior national security officials on the intelligence, including the "alleged approval by Hillary Clinton on July 26, 2016 of a proposal from one of her foreign policy advisors to vilify Donald Trump by stirring up a scandal claiming interference by Russian security services."
- On 07 September 2016, U.S. intelligence officials forwarded an investigative referral to FBI Director James Comey and Deputy Assistant Director of Counterintelligence Peter Strzok regarding "U.S. Presidential candidate Hillary Clinton's approval of a plan concerning U.S. Presidential candidate Donald Trump and Russian hackers hampering U.S. elections as a means of distracting the public from her use of a private mail server."

As referenced in his 24 September 2020 letter to your Committee, Attorney General Barr has advised that the disclosure of this information will not interfere with ongoing Department of Justice investigations. Additional declassification and public disclosure of related intelligence remains under consideration; however, the IC welcomes the opportunity to provide a classified briefing with further detail at your convenience.

Respectfully,

John Ratcliffe

The shift in tactics comes the same week as Twitter released new data stating that their ban on QAnon-related accounts was severely limiting the reach of the conspiracy theory.

Strengthen my faith, Lord. Forgive my sins, so that I may be clean in your righteousness. Make me brave, so I can stand and fight the spiritual battles in my life and in our world. Give me your wisdom and discernment so I won't be caught off guard. Together, Lord, we'll win, because in truth, you already have. While evil still roams, the power of Your name and Your blood rises up to defeat and bring us victory against every evil planned against us. While malicious actions may disturb us, we use the armor of God You have given us to stand firm. You will bring justice in due time for all the harm and needless violence aimed at Your children. Until then, we remain in Your presence, aligned with Your purposes, and we look to You as our Supreme Commander and Protector. Help us to avoid temptation, and deliver us from evil, Lord. You are the Mighty One, the One Who will ultimately bring all evil to light. With You, Jesus, we are safe. Amen.

Worth remembering **[think what you see today]**.
https://2009-2017.state.gov/documents/organization/119629.pdf
Insurgency can be defined as 'the organized use of subversion and violence to seize, nullify, or challenge political control of a region.'
Insurgents seek to subvert or displace the government and completely or partially control the

resources and population of a given territory. They do so through the use of force (including guerrilla warfare, terrorism and coercion/intimidation), propa- ganda, subversion and political mobilization. Insurgents fight government forces only to the extent needed to achieve their political aims: their main effort is not to kill counterinsurgents, but rather to establish a competitive system of control over the population, making it impossible for the government to administer its territory and people. Insurgent activity is therefore designed to weaken government control and legitimacy while increasing insurgent control and influence.
Insurgents require supporters, recruits, safe havens, money, supplies, weapons and intelligence on government actions. A robust insurgency can be waged with the support of just a small percentage of a given population.
NEXT:
Counterinsurgency may be defined as 'comprehensive civilian and military efforts taken to simultaneously defeat and contain insurgency and address its root causes'.

HOW DO YOU AMPLIFY A DESIRED THEME-NARRATIVE?
MSDNC controls what you see **[digital echo]**.

Hollywood **['stars']** swarm to enforce **['trend' echo]**.

There was a time when our children stood at attention, and with pride, put their hand on their heart, and in one UNITED voice, recited the PLEDGE OF ALLEGIANCE.
There was a time when STRENGTH and HONOR meant something.
There was a time when standing for our FLAG meant something.
There was a time when our history (heritage) was taught with PRIDE and RESPECT.
There was a time when respect was given to those who serve(d), bled, and died to protect and defend our FREEDOM.
There was a time when we were GRATEFUL.
There was a time when our ACCOMPLISHMENTS meant something.
There was a time when these UNITED STATES OF AMERICA, ONE NATION UNDER GOD, was UNITED.
There was a time when these UNITED STATES OF AMERICA, ONE NATION UNDER GOD, was UNITED UNDER THE AMERICAN FLAG.
A FLAG THAT WAS CARRIED IN BATTLE BY BRAVE PATRIOTS AS A SYMBOL OF FREEDOM & JUSTICE FOR ALL NO MATTER RACE, RELIGION, OR BACKGROUND.
A BEACON OF HOPE WHEN FLOWN.
A MARK OF RESPECT TO THEIR MEMORY TO THOSE WHO WILLFULLY SACRIFICED THEIR LIVES TO DEFEND.
There was a time when, WE, THE PEOPLE, decided our future.
There was a time when, WE, THE PEOPLE, had a voice.
There was a time when, WE, THE PEOPLE, were UNITED and STRONG.
There was a time when the media was free from political bias **[and corruption]**.
There was a time when our elected leaders stood their ground, dug in, and defended those they represented.
How many Men and Women in uniform are currently serving on the frontlines abroad only to look back in horror to see the homeland on fire?
What does the word 'Patriot' mean to you?
LAND OF THE FREE.
HOME OF THE BRAVE.
Now is not the time to be complacent.
Will you answer the call?
"Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected,

and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was

THESE are the times that try men's souls. The summer soldier and the sunshine patriot will, in this crisis, shrink from the service of their country; but he that stands by it now, deserves the love and thanks of man and woman. Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that the harder the conflict, the more glorious the triumph. What we obtain too cheap, we esteem too lightly: it is dearness only that gives everything its value. For the first time, the United States has in you a President who courageously defends the right to life, who is not ashamed to denounce the persecution of Christians throughout the world, who speaks of Jesus Christ and the right of citizens to freedom of worship. Your participation in the March for Life, and more recently your proclamation of the month of April as National Child Abuse Prevention Month, are actions that confirm which side you wish to fight on. And I dare to believe that both of us are on the same side in this battle, albeit with different weapons.

For this reason, I believe that the attack to which you were subjected after your visit to the National Shrine of Saint John Paul II is part of the orchestrated media narrative which seeks not to fight racism and bring social order, but to aggravate dispositions; not to bring justice, but to legitimize violence and crime; not to serve the truth, but to favor one political faction. And it is disconcerting that there are Bishops – such as those whom I recently denounced – who, by their words, prove that they are aligned on the opposing side. They are subservient to the deep state, to globalism, to aligned thought, to the New World Order which they invoke ever more frequently in the name of a universal brotherhood which has nothing Christian about it, but which evokes the Masonic ideals of those who want to dominate the world by driving God out of the courts, out of schools, out of families, and perhaps even out of churches.

The American people are mature and have now understood how much the mainstream media does

not want to spread the truth but seeks to silence and distort it, spreading the lie that is useful for the purposes of their masters. However, it is important that the good – who are the majority – wake up from their sluggishness and do not accept being deceived by a minority of dishonest people with unavowable purposes. It is necessary that the good, the children of light, come together and make their voices heard. What more effective way is there to do this, Mr. President, than by prayer, asking the Lord to protect you, the United States, and all of humanity from this enormous attack of the Enemy? Before the power of prayer, the deceptions of the children of darkness will collapse, their plots will be revealed, their betrayal will be shown, their frightening power will end in nothing, brought to light and exposed for what it is: an infernal deception.

Mr. President, my prayer is constantly turned to the beloved American nation, where I had the privilege and honor of being sent by Pope Benedict XVI as Apostolic Nuncio. In this dramatic and decisive hour for all of humanity, I am praying for you and also for all those who are at your side in the government of the United States. I trust that the American people are united with me and you in prayer to Almighty God.

United against the Invisible Enemy of all humanity, I bless you and the First Lady, the beloved American nation, and all men and women of good will.

Holy Trinity Sunday
Mr. President,

In recent months we have been witnessing the formation of two opposing sides that I would call Biblical: the children of light and the children of darkness. The children of light constitute the most conspicuous part of humanity, while the children of darkness represent an absolute minority. And yet the former are the object of a sort of discrimination which places them in a situation of moral inferiority with respect to their adversaries, who often hold strategic positions in government, in politics, in the economy and in the media. In an apparently inexplicable way, the good are held hostage by the wicked and by those who help them either out of self-interest or fearfulness.

These two sides, which have a Biblical nature, follow the clear separation between the offspring of the Woman and the offspring of the Serpent. On

the one hand, there are those who, although they have a thousand defects and weaknesses, are motivated by the desire to do good, to be honest, to raise a family, to engage in work, to give prosperity to their homeland, to help the needy, and, in obedience to the Law of God, to merit the Kingdom of Heaven. On the other hand, there are those who serve themselves, who do not hold any moral principles, who want to demolish the family and the nation, exploit workers to make themselves unduly wealthy, foment internal divisions and wars, and accumulate power and money: for them the fallacious illusion of temporal well-being will one day – if they do not repent – yield to the terrible fate that awaits them, far from God, in eternal damnation.

We will also discover that the riots in these days were provoked by those who, seeing that the virus is inevitably fading and that the social alarm of the pandemic is waning, necessarily have had to provoke civil disturbances, because they would be followed by repression which, although legitimate, could be condemned as an unjustified aggression against the population. The same thing is also happening in Europe, in perfect synchrony. It is quite clear that the use of street protests is instrumental to the purposes of those who would like to see someone elected in the upcoming presidential elections who embodies the goals of the deep state and who expresses those goals faithfully and with conviction. It will not be surprising if, in a few months, we learn once again that hidden behind these acts of vandalism and violence there are those who hope to profit from the dissolution of the social order so as to build a world without freedom: Solve et Coagula, as the

Masonic adage teaches.

Although it may seem disconcerting, the opposing alignments I have described are also found in religious circles. There are faithful Shepherds who care for the flock of Christ, but there are also mercenary infidels who seek to scatter the flock and hand the sheep over to be devoured by ravenous wolves. It is not surprising that these mercenaries are allies of the children of darkness and hate the children of light: just as there is a deep state, there is also a deep church that betrays its duties and forswears its proper commitments before God. Thus the Invisible Enemy, whom good rulers fight against in public affairs, is also fought against by good shepherds in the ecclesiastical sphere. It is a spiritual battle, which I spoke about in my recent Appeal which was published on May 8.In society, Mr. President, these two opposing realities co-exist as eternal enemies, just as God and Satan are eternal enemies. And it appears that the children of darkness – whom we may easily identify with the deep state which you wisely oppose and which is fiercely waging war against you in these days – have decided to show their cards, so to speak, by now revealing their plans. They seem to be so certain of already having everything under control that they have laid aside that circumspection that until now had at least partially concealed their true intentions. The investigations already under way will reveal the true responsibility of those who managed the COVID emergency not only in the area of health care but also in politics, the economy, and the

media. We will probably find that in this colossal operation of social engineering there are people who have decided the fate of humanity, arrogating to themselves the right to act against the will of citizens and their representatives in the governments of nations.

recession/expansion')
[1] remains a variable
[1] dependent on a 'controlled' system of information dissemination
What happens when 90% of the media is controlled/owned by (6) corporations?
What happens when those same corporations are operated and controlled by a political ideology?
What happens when the news is no longer free from bias?
What happens when the news is no longer reliable and independent?
What happens when the news is no longer trustworthy?
What happens when the news simply becomes an extension/arm of a political party?
Fact becomes fiction?
Fiction becomes fact?
When does news become propaganda?
Identity creation?
How does the average person, who is under constant financial stress (by design), find time to research and discern fact v fiction?
Majority of people more prone to believe someone in power sitting behind a big brand 'news' name?
Do people **[human psyche]** tend to follow the 'majority/mainstream viewpoint' in fear of being isolated and/or shunned?
'Mainstream' is used for a reason **[dominate trend in opinion]**.
[If majority of people believe 'x' then 'x' must be validated / true]
Why do 'mainstream' media heads, within different orgs, always use the same keywords and/or catch phrases?
Coordinated? By who? Outside entity providing instructions?
Do they count on the fact that people **[human psyche]** are more prone to believe something if heard over-and-over again by different 'trusted' sources?
Do 'echo chamber' tactics provide validation / credibility to the topic/point being discussed?
Threat to intellectual freedom?
Would control over**[of]** these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?
Read again – digest.
Would control over**[of]** these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?

THINK BLM PUSH EVERY 4-YEARS.
Logical thinking.
Why, after the election of 2016, did **[D]**'s and media corps jumpstart a **[coordinated & planned]** divisive blitz intended to create falsehoods re: illegitimacy of election, character assassination of POTUS through sexism, racism, every other 'ism'?
How much of the population still believes POTUS colluded w/ RUSSIA due to MSDNC 365-blitz?
No MSDNC retraction of POTUS_RUSSIA collusion narrative **[propaganda]**? _why?
Pre/post 2016 election?
Why were**[are]** violent **[masked]** terror orgs such as Antifa immediately created/funded and allowed to operate within **[D]** controlled cities **[safe-zones]**?
Why were these orgs tasked w/ immediate intimidation/shut down of any pro-POTUS rally**[s]** and/or events?

Why were marches immediately organized to counter and silence pro-POTUS rally**[s]** and/or events?
Why were marches immediately organized which divided people into sex/gender, race, **[ism]**?
When you control the levers of news dissemination, you control the narrative.
Control of the narrative = power
When you are blind, what do you see?
They want you divided.
Divided by religion.
Divided by race.
Divided by sex.
Divided by political affiliation.
Divided by class.
When you are divided, and angry, and controlled, you target those 'different' from you, not those responsible **[controllers]**.
Divided you are weak.
Divided you pose no threat to their control.
When 'non-dogmatic' information becomes FREE & TRANSPARENT it becomes a threat to those who attempt to control the narrative and/or stable **[livestock kept – sheep]**.
When you are awake, you stand on the outside of the stable ('group-think' collective), and have 'free thought'.
"Free thought" is a philosophical viewpoint which holds that positions regarding truth should be formed on the basis of logic, reason, and empiricism, rather than authority, tradition, revelation, or dogma.
THIS REPRESENTS A CLEAR AND PRESENT DANGER TO THE CONSTITUTIONAL REPUBLIC OF THE UNITED STATES OF AMERICA.

Would a jury of peers agree their actions were negligent?
https://www.law.cornell.edu/constitution-conan/amendment-11/suits-against-state-officials
"The immunity of a state from suit has long been held not to extend to actions against state officials for damages arising out of willful and negligent disregard of state laws.165 The reach of the rule is evident in Scheuer v. Rhodes,166 in which the Court held that plaintiffs were not barred by the Eleventh Amendment or other immunity doctrines from suing the governor and other officials of a state alleging that they deprived plaintiffs of federal rights under color of state law and seeking damages, when it was clear that plaintiffs were seeking to impose individual and personal liability on the officials. There was no “executive immunity” from suit, the Court held; rather, the immunity of state officials is qualified and varies according to the scope of discretion and responsibilities of the particular office and the circumstances existing at the time the challenged action was taken."

The Flag of Lincoln.
It was considered a great honor to be chosen to carry the flag in battle.
The Soldier was unarmed and knew they would most certainly die (as did most who fought), but understood that the fight, that their lives, was worth the cost (self-sacrifice).
They believed in something greater than themselves.
To them, the flag represented a symbol of freedom, of hope, of equality and prosperity.
To disrespect the flag, to kneel, is to disrespect those people who fought and died to provide each and every one of us the rights we are afforded today.
Old Glory knows not what color skin carries her - only that for which it stands - one Nation under God, indivisible, with Liberty and JUSTICE FOR ALL.
TO FREE FROM OPPRESSION.
“Freedom is never more than one generation away from extinction. We didn’t pass it on to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children’s children what it was once like in the United States where men were free.” - Reagan

https://www.ushistory.org/declaration/document/
When in the Course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.
We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. — That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, — That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn that mankind are more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide

new Guards for their future security. — Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government.

The Enlightenment is often associated with its political revolutions and ideals, especially the French Revolution of 1789. The energy created and expressed by the intellectual foment of Enlightenment thinkers contributes to the growing wave of social unrest in France in the eighteenth century. The social unrest comes to a head in the violent political upheaval which sweeps away the traditionally and hierarchically structured ancien régime (the monarchy, the privileges of the nobility, the political power of the Catholic Church). The French revolutionaries meant to establish in place of the ancien régime a new reason-based order instituting the Enlightenment ideals of liberty and equality.
...enlightenment with the process of undertaking to think for oneself, to employ and rely on one's own intellectual capacities in determining what to believe and how to act.

Insurgency can be defined as 'the organized use of subversion and violence to seize, nullify, or challenge political control of a region.'
Insurgents seek to subvert or displace the government and completely or partially control the resources and population of a given territory. They do so through the use of force (including guerrilla warfare, terrorism and coercion/intimidation), propa- ganda, subversion and political mobilization. Insurgents fight government forces only to the extent needed to achieve their political aims: their main effort is not to kill counterinsurgents, but rather to establish a competitive system of control over the population, making it impossible for the government to administer its territory and people. Insurgent activity is therefore designed to weaken government control and legitimacy while increasing insurgent control and influence.
Insurgents require supporters, recruits, safe havens, money, supplies, weapons and intelligence on government actions. A robust insurgency can be waged with the support of just a small percentage of a given population.
NEXT:
Counterinsurgency may be defined as 'comprehensive civilian and military efforts taken to simultaneously defeat and contain insurgency and address its root causes'.

Irregular warefare.
Insurgency.
Insurgency is the organized use of subversion and violence to seize, nullify or challenge political control of a region. As such, it is primarily a political struggle, in which both sides use armed force to create space for their political, economic and influence activities to be effective. Insurgency is not always conducted by a single group with a centralized, military-style command structure, but may involve a complex matrix of different actors with various aims, loosely connected in dynamic and non-hierarchical networks. To be successful, insurgencies require charismatic leadership, supporters, recruits, supplies, safe havens and funding (often from illicit activities). They only need the active support of a few enabling individuals, but the passive acquiescence of a large proportion of the contested population will give a higher probability of success. This is best achieved when the political cause of the insurgency has strong appeal, manipulating religious, tribal or local identity to exploit common societal grievances or needs. Insurgents seek to gain control of populations through a combination of persuasion, subversion and coercion while using guerrilla tactics to offset the strengths of government security forces. Their intent is usually to protract the struggle, exhaust the government and win sufficient popular support to force capitulation or political accommodation. Consequently, insurgencies evolve through a series of stages, though the progression and outcome will be different in almost every case.

We hold these truths to be self-evident, that all men (& women) are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. — That to secure these rights, Governments are instituted among Men (& Women), deriving their just powers from the consent of the governed, — That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn that mankind are more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such

Government, and to provide new Guards for their future security. —

"US data on influenza deaths are false and misleading. The Centers for Disease Control and Prevention (CDC) acknowledges a difference between flu death and flu associated death yet uses the terms interchangeably. Additionally, there are significant statistical incompatibilities between official estimates and national vital statistics data. Compounding these problems is a marketing of fear—a CDC communications strategy in which medical experts "predict dire outcomes" during flu seasons."

Pre "No Name" death, Lindsey Graham was against POTUS. After "No Name" death Graham warms up to POTUS. In the last year, Graham as head of Senate Judiciary has not called or had hearings or investigations. With the new Flynn - #ObamaGate revelations, still nothing from Graham. Why? Is Graham Deep State, RINO or OPS?

The Armor of God
Finally, be strong in the Lord and in his mighty power. Put on the full armor of God, so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God.
And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord's people.

President of Tanzania John Magufuli has outsmarted somebody. He allowed coronavirus testing kits to be imported into his country. He instructed that they be checked by Tanzanian security officials. They tested non-human samples, including a goat and a pawpaw (fruit). The tests were given human names and ages as they were sent off for results. They tested positive. A fruit. A goat. President Magufuli said, "Something is happening."

When the protein sequence of the SARS-CoV-2 receptor binding site was analyzed, an interesting result was found. While SARS-CoV-2 is overall more similar to bat coronaviruses, the receptor binding site was more similar to SARS-CoV.

Both SARS-CoV-2 and SARS-CoV use the same host cell receptor. It also found that, for both viruses, the viral proteins used for host cell entry bind to the receptor with the same tightness (affinity).

Memorandum from the Attorney General Page 2
Subject: Balancing Public Safety with the Preservation of Civil Rights

Many policies that would be unthinkable in regular times have become commonplace in recent weeks, and we do not want to unduly interfere with the important efforts of state and local officials to protect the public. But the Constitution is not suspended in times of crisis. We must therefore be vigilant to ensure its protections are preserved, at the same time that the public is protected.

I thank you for your attention to this important initiative and for your service to our country.

Intelligence has just reported to me that I was correct, and that they did NOT bring up the CoronaVirus subject matter until late into January, just prior to my banning China from the U.S. Also, they only spoke of the Virus in a very non-threatening, or matter of fact, manner...

...Fake News got it wrong again, as always, and tens of thousands of lives were saved by my EARLY BAN of China into our Country. The people that we're allowed were heavily scrutinized and tested U.S. citizens, and as such, I welcome them with open arms!

Head of House Intelligence Committee Adam Schiff Demands Google-YouTube-Twitter Step Up their 'Authoritative' Censorship and Silencing

On Thursday Rep. Adam Schiff, the most dishonest and compulsive liar in Congress, sent a letter to the CEOs of Google, YouTube and Twitter to urge them to use their "authoritative" powers to censor and silence voices during the coronavirus pandemic.

Last week YouTube CEO told CNN the company would silence anyone who strayed from official WHO policy.
Google is cool with that.

In fact, the company is very proud of her censorship.

Remember this in November. Democrats

support this and want MORE censorship and silencing.

Schiff sent these letters off to Google, YouTube and Twitter.

Read slowly and carefully.
Knowledge is power.
https://2009-2017.state.gov/documents/organization/119629.pdf
>Irregular warfare is far more varied than conventional conflict: hence the importance of an intellectual framework that is coherent enough to provide guidance, and flexible enough to adapt to circumstances.
>American counterinsurgency practice rests on a number of assumptions: that the decisive effort is rarely military (although security is the essential prerequisite for success); that our efforts must be directed to the creation of local and national governmental structures that will serve their populations, and, over time, replace the efforts of foreign partners; that superior knowledge, and in particular, understanding of the 'human terrain' is essential; and that we must have the patience to persevere in what will necessarily prove long struggles.
>Insurgency, however, can and will flourish in the modern environment. The strains created by globalization, by the collapse of weak state structures, by demographic, environmental, and economic pressures, by the ease of cooperation among insurgent groups and criminals, and by the appearance of destructive radical ideologies, all

augur a period in which free and moderate governance is at risk.

[Insurgency is the organized use of subversion and violence to seize, nullify or chal- lenge political control of a region. As such, it is primarily a political struggle, in which both sides use armed force to create space for their political, economic and influence activities to be effective. Insurgency is not always conducted by a single group with a centralized, military-style command structure, but may involve a complex matrix of different actors with various aims, loosely connected in dynamic and non-hierarchical networks. To be successful, insurgencies require charismatic leadership, supporters, recruits, supplies, safe havens and funding (often from illicit activities). They only need the active support of a few enabling individuals, but the passive acquiescence of a large proportion of the contested population will give a higher probability of success. This is best achieved when the political cause of the insurgency has strong appeal, manipulating religious, tribal or local identity to exploit common societal grievances or needs. Insurgents seek to gain control of populations through a combination of persuasion, subversion and coercion while using guerrilla tactics to offset the strengths of government security forces. Their intent is usually to protract the struggle, exhaust the government and win sufficient popular support

to force capitulation or political accommodation. Consequently, insurgencies evolve through a series of stages, though the progression and outcome will be different in almost every case.]

The entire world is watching.
Patriots from around the world are praying for AMERICA.
We are all bound by a feeling deep inside, a feeling that cannot be publicly expressed for fear of ridicule, a feeling that challenges the mainstream (narrative), against that which we are told to accept and dare not question, put simply, that people are being abused by those in power and time is running out.
Remember the battles of Lexington and Concord - "Give Me Liberty or Give Me Death!"
For far too long we have been silent and allowed our bands of strength, that we once formed to defend FREEDOM and LIBERTY, to deteriorate.
We became divided.
We became weak.
We elected TRAITORS to govern us.
We allowed EVIL to prey on us.
Those who claimed to represent us gave us false hope, made false promises.
The evil and corruption only grew.
————————————
This is more than party politics.
This is about restoring OLD GLORY.
This is about saving our land and our people from those who wish us harm.
This is about preserving our REPUBLIC.
This is about preserving our SAFETY.
This is about restoring our STRENGTH.
This is about LIFE, LIBERTY, and the PURSUIT OF HAPPINESS.
This is about PROTECTING our children.
THIS IS ABOUT SAVING AMERICA.
We are all God's children.
We are, FATHERS.
We are, MOTHERS.
We are, DAUGHTERS.

The Great Awakening ('Freedom of Thought'), was designed and created not only as a backchannel to the public (away from the longstanding 'mind' control of the corrupt & heavily biased media) to endure future events through transparency and regeneration of individual thought (breaking the chains of 'group-think'), but, more importantly, aid in the construction of a vehicle (a 'ship') that provides the scattered ('free thinkers') with a 'starter' new social-networking platform which allows for freedom of thought, expression, and patriotism or national pride (the feeling of love, devotion and sense of attachment to a homeland and alliance with other citizens who share the same sentiment).
When 'non-dogmatic' information becomes FREE & TRANSPARENT it becomes a threat to those who attempt to control the narrative and/or the stable.

SHOULD WE BE READY FOR THE REEMERGENCE OF SARS?

The medical and scientific community demonstrated marvelous efforts in the understanding and control of SARS within a short time, as evident by over 4,000 publications available online. Despite these achievements, gaps still exist in terms of the molecular basis of the physical stability and transmissibility of this virus, the molecular and immunological basis of disease pathogenesis in humans, screening tests for early or cryptic SARS cases, foolproof infection control procedures for patient care, effective antivirals or antiviral combinations, the usefulness of immunomodulatory agents for late presenters, an effective vaccine with no immune enhancement, and the immediate animal host that transmitted the virus to caged civets in the market at the beginning of the epidemic. Coronaviruses are well known to undergo genetic recombination (375), which may lead to new genotypes and outbreaks. The presence of a large reservoir of SARS-CoV-like viruses in horseshoe bats, together with the culture of eating exotic mammals in southern China, is a time bomb. The possibility of the reemergence of SARS and other novel viruses from animals or laboratories and therefore the need for preparedness should not be ignored.

Finally, be strong in the Lord and in his mighty power. Put on the full armor of God, so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God.
And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord's people.

[Re_drop]
What happens when 90% of the media is controlled/owned by (6) corporations?
What happens when those same corporations are operated and controlled by a political ideology?
What happens when the news is no longer free from bias?
What happens when the news is no longer reliable and independent?
What happens when the news is no longer trustworthy?
What happens when the news simply becomes an extension/arm of a political party?
Fact becomes fiction?
Fiction becomes fact?
When does news become propaganda?
Identity creation?
How does the average person, who is under constant financial stress (by design), find time to research and discern fact v fiction?
Majority of people more prone to believe someone in power sitting behind a big brand 'news' name?
Do people **[human psyche]** tend to follow the 'majority/mainstream viewpoint' in fear of being isolated and/or shunned?
'Mainstream' is used for a reason **[dominate trend in opinion]**.
[If majority of people believe 'x' then 'x' must be validated / true]
Why do 'mainstream' media heads, within different orgs, always use the same keywords and/or catch phrases?
Coordinated? By who? Outside entity providing instructions?
Do they count on the fact that people **[human psyche]** are more prone to believe something if heard over-and-over again by different 'trusted' sources?
Do 'echo chamber' tactics provide validation / credibility to the topic/point being discussed?
Threat to intellectual freedom?
Would control over**[of]** these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?

Read again – digest.
Would control over**[of]** these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?
Logical thinking.

Why, after the election of 2016, did **[D]**'s and media corps jumpstart a **[coordinated & planned]** divisive blitz intended to create falsehoods re: illegitimacy of election, character assassination of POTUS through sexism, racism, every other 'ism'?
Pre/post 2016 election?
Why were violent **[masked]** terror orgs such as Antifa immediately created/funded?
Why were these orgs tasked w/ immediate intimidation/shut down of any pro-POTUS rally**[s]** and/or events?
Why were marches immediately organized to counter and silence pro-POTUS rally**[s]** and/or events?
Why were marches immediately organized which divided people into sex/gender, race, **[ism]**?
When you control the levers of news dissemination, you control the narrative.
Control of the narrative = power
When you are blind, what do you see?
They want you divided.
Divided by religion.
Divided by sex.
Divided by political affiliation.
Divided by class.
When you are divided, and angry, and controlled, you target those 'different' from you, not those responsible **[controllers]**.
Divided you are weak.
Divided you pose no threat to their control.
When 'non-dogmatic' information becomes FREE & TRANSPARENT it becomes a threat to those who attempt to control the narrative and/or stable **[livestock kept – sheep]**.
When you are awake, you stand on the outside of the stable ('group-think' collective), and have 'free thought'.
"Free thought" is a philosophical viewpoint which holds that positions regarding truth should be formed on the basis of logic, reason, and empiricism, rather than authority, tradition, revelation, or dogma.
THIS REPRESENTS A CLEAR AND PRESENT DANGER TO THE CONSTITUTIONAL REPUBLIC OF THE UNITED STATES OF AMERICA.

Remember That the Democrats Sat While You Were Celebrated Last Night

I end a lot of articles about how the Democrats really feel about you by telling you to vote accordingly, but Trump's State of the Union speech highlighted the Democrat's utter contempt for President Donald Trump, you, and this country last night as they sat through almost every applause line that celebrated you doing well.

As the GOP highlighted in a video they posted to Twitter, the Democrats heard about the all-time low unemployment levels of the black community, the Hispanic community, the young adult community, and more. This should be a reason to celebrate. We should see our elected leaders getting to their feet and showing support, but instead only half the room decided to stand.

The other half, the Democrats, sat still, arms folded, and practically seethed at times.

Reminder for Democrats: It's ok to applaud good news.

orensicator's first decisive findings, made public in the paper dated July 9, concerned the volume of the supposedly hacked material and what is called the transfer rate —the time a remote hack would require. The metadata established several facts in

this regard with granular precision: On the evening of July 5, 2016, 1,976 megabytes of data were downloaded from the DNC's server. The operation took 87 seconds. This yields a transfer rate of 22.7 megabytes per second.

These statistics are matters of record and essential to disproving the hack theory. No Internet service provider, such as a hacker would have had to use in mid-2016, was capable of downloading data at this speed. Compounding this contradiction, Guccifer claimed to have run his hack from Romania, which, for numerous reasons technically called delivery overheads, would slow down the speed of a hack even further from maximum achievable speeds.

Why are the **[2]** articles being held by Pelosi?
Will holding actually impact the decision of the Senate?
No.
Will holding actually provide a better scenario **[public opinion]** to **[D]**s?
No.
Will holding actually 'sway' select Senators to change their vote?
No.
When blackmail and threats no longer work.....
Why are the **[2]** articles being held by Pelosi?
What happens when the articles of impeachment are sent from the House to the Senate?
Can the Senate conduct 'other' business during this time?
No.
What 'value' might exist by holding the articles?
How long do Senate impeachment trials normally take?
What statements have been made re: timing?
Think 'fast-tracking'.
What statements have been made by Chairman Graham re: Senate FISA hearing(s) & witnesses?
WHY IS PELOSI HOLDING THE **[2]** ARTICLES OF IMPEACHMENT?

What happens when 90% of the media is controlled/owned by (6) corporations?
What happens when those same corporations are operated and controlled by a political ideology?
What happens when the news is no longer free from bias?
What happens when the news is no longer reliable and independent?
What happens when the news is no longer trustworthy?
What happens when the news simply becomes an extension/arm of a political party?
Fact becomes fiction?
Fiction becomes fact?
When does news become propaganda?
Identity creation?
How does the average person, who is under constant financial stress (by design), find time to research and discern fact v fiction?
Majority of people more prone to believe someone in power sitting behind a big brand 'news' name?
Do people **[human psyche]** tend to follow the 'majority/mainstream viewpoint' in fear of being isolated and/or shunned?
'Mainstream' is used for a reason **[dominate trend in opinion]**.
[If majority of people believe 'x' then 'x' must be validated / true]
Why do 'mainstream' media heads, within different orgs, always use the same keywords and/or catch phrases?
Coordinated? By who? Outside entity providing instructions?
Do they count on the fact that people **[human psyche]** are more prone to believe something if heard over-and-over again by different 'trusted' sources?
Do 'echo chamber' tactics provide validation / credibility to the topic/point being discussed?
Threat to intellectual freedom?

Read again – digest.
Would control over**[of]** these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?
Logical thinking.
Why, after the election of 2016, did **[D]**'s and media corps jumpstart a **[coordinated & planned]** divisive blitz intended to create falsehoods re: illegitimacy of election, character assassination of POTUS through sexism, racism, every other 'ism'?
Pre/post 2016 election?
Why were violent **[masked]** terror orgs such as Antifa immediately created/funded?
Why were these orgs tasked w/ immediate intimidation/shut down of any pro-POTUS rally**[s]**

and/or events?
Why were marches immediately organized to counter and silence pro-POTUS rally**[s]** and/or events?
Why were marches immediately organized which divided people into sex/gender, race, **[ism]**?
When you control the levers of news dissemination, you control the narrative.
Control of the narrative = power
When you are blind, what do you see?
They want you divided.
Divided by religion.
Divided by sex.
Divided by political affiliation.
Divided by class.
When you are divided, and angry, and controlled, you target those 'different' from you, not those responsible **[controllers]**.
Divided you are weak.
Divided you pose no threat to their control.
When 'non-dogmatic' information becomes FREE & TRANSPARENT it becomes a threat to those who attempt to control the narrative and/or stable **[livestock kept – sheep]**.
When you are awake, you stand on the outside of the stable ('group-think' collective), and have 'free thought'.
"Free thought" is a philosophical viewpoint which holds that positions regarding truth should be formed on the basis of logic, reason, and empiricism, rather than authority, tradition, revelation, or dogma.
THIS REPRESENTS A CLEAR AND PRESENT DANGER TO THE CONSTITUTIONAL REPUBLIC OF THE UNITED STATES OF AMERICA.

FOR IMMEDIATE RELEASE Monday, December 16, 2019

Statement by Attorney General William P. Barr on the Departure of Principal Associate Deputy Attorney General Edward O'Callaghan

Attorney General William P. Barr issued the following statement:

"Ed is one of the most highly regarded lawyers at the Department of Justice. His dedication and tireless commitment to the work of the Department is second to none. Ed possesses a rare combination of sharp intellect, common sense, and sound judgment – traits that served him well from his time as a prosecutor in the Southern District of New York to his service at the highest levels of the Department, including as Acting Deputy Attorney General. We were lucky to have him at the heart of the leadership team at DOJ. He will be greatly missed."

If **[D]**s knew Senate would not vote to convict - why proceed?
How long does a typical Senate impeachment trial take?
Can the Senate conduct 'other' business during this time?
No.
What 'value' might this have for **[D]**s?
Barr/Durham working in secret?
Senate working openly?
'Value' of public learning the truth prior to i_unseal?

"–That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.
But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.–"

5. The Agency's posture toward the media is basically defensive, reactive and tongue-tied. What we say is: "no comment"; "that disclosure was wrong and outrageous." Next we wring our hands, send emissaries out to brief key people in the Administration and Congress and correct the record, then hunker back awaiting the next blow. Maybe it's time for an offense as well as a defense and an attempt to get things in better balance. Here are some personal thoughts as to do's and don'ts on this score.

Let me know if you want to migrate /patriotsfight/. The login credentials will be the same as back in August, and you can login via tor at this url: http://sys.jthnx5wyvjvzsxtu.onion/mod.php?/

The salt rotation is an important maintenance task, and will help improve overall site stability.

Our current tasks to get back to full stability:
0. Salt rotation
1. Fix quality-of-life bugs (caching, images, etc)
2. Launch project odin (checkmate against deplatforming)
3. Finish board migration
4. Migrate to a new ISP currently being setup (will improve site access speeds and stability)
5. Bring back board creation (with a simple vetting process)
6. Install the new captcha system that we are building
7. Extinguish fires that pop up

What happens when 90% of the media is controlled/owned by (6) corporations?
What happens when those same corporations are operated and controlled by a political ideology?
What happens when the news is no longer free from bias?
What happens when the news is no longer reliable and independent?
What happens when the news is no longer trustworthy?
What happens when the news simply becomes an extension/arm of a political party?
Fact becomes fiction?
Fiction becomes fact?
When does news become propaganda?
Identity creation?
How does the average person, who is under constant financial stress (by design), find time to research and discern fact v fiction?
Majority of people more prone to believe someone in power sitting behind a big brand 'news' name?
Do people **[human psyche]** tend to follow the 'majority/mainstream viewpoint' in fear of being isolated and/or shunned?
'Mainstream' is used for a reason **[dominate trend in opinion]**.
[If majority of people believe 'x' then 'x' must be validated / true]
Why do 'mainstream' media heads, within different orgs, always use the same keywords and/or catch phrases?
Coordinated? By who? Outside entity providing instructions?
Do they count on the fact that people **[human psyche]** are more prone to believe something if heard over-and-over again by different 'trusted' sources?
Do 'echo chamber' tactics provide validation / credibility to the topic/point being discussed?
Threat to intellectual freedom?

Would control over**[of]** these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?
Read again – digest.
Would control over**[of]** these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?
Logical thinking.
Why, after the election of 2016, did **[D]**'s and media corps jumpstart a **[coordinated & planned]** divisive blitz intended to create falsehoods re: illegitimacy of election, character assassination of POTUS through sexism, racism, every other 'ism'?
Pre/post 2016 election?
Why were violent **[masked]** terror orgs such as Antifa immediately created/funded?
Why were these orgs tasked w/ immediate intimidation/shut down of any pro-POTUS rally**[s]** and/or events?

Why were marches immediately organized to counter and silence pro-POTUS rally**[s]** and/or events?
Why were marches immediately organized which divided people into sex/gender, race, **[ism]**?
When you control the levers of news dissemination, you control the narrative.
Control of the narrative = power
When you are blind, what do you see?
They want you divided.
Divided by religion.
Divided by sex.
Divided by political affiliation.
Divided by class.
When you are divided, and angry, and controlled, you target those 'different' from you, not those responsible **[controllers]**.
Divided you are weak.
Divided you pose no threat to their control.
When 'non-dogmatic' information becomes FREE & TRANSPARENT it becomes a threat to those who attempt to control the narrative and/or stable **[livestock kept – sheep]**.
When you are awake, you stand on the outside of the stable ('group-think' collective), and have 'free thought'.
"Free thought" is a philosophical viewpoint which holds that positions regarding truth should be formed on the basis of logic, reason, and empiricism, rather than authority, tradition, revelation, or dogma.

Finally, be strong in the Lord and in his mighty power. Put on the full armor of God, so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Trump threatens worse trade deal for China if Beijing stalls until after his re-election

US President Donald Trump has once again criticized China's trade practices, warning

negotiations could get tougher. The statements come as Beijing and Washington are headed into another round of trade negotiations in Shanghai.

In a series of tweets on Tuesday, Trump warned if China waits and he wins re-election, the trade deal will be much tougher for Beijing.

“China is doing very badly, worst year in 27 – was supposed to start buying our agricultural product now – no signs that they are doing so. That is the problem with China, they just don’t come through,” Trump wrote.

My team is negotiating with them now, but they always change the deal in the end to their benefit. They should probably wait out our Election to see if we get one of the Democrat stiffs like Sleepy Joe. Then they could make a GREAT deal, like in past 30 years, and continue to ripoff the USA, even bigger and better than ever before.”

US Treasury Secretary Steven Mnuchin and Trade Representative Robert Lighthizer will meet on Tuesday and Wednesday in Shanghai with a delegation led by China’s Vice Premier Liu He.

According to Trump, “The problem with them waiting, however, is that if & when I win, the deal that they get will be much tougher than what we are negotiating now… or no deal at all. We have all the cards, our past leaders never got it!”

Democrats will complain long and loud about this, but I don't see how Barr can be reasonably faulted for following the law. Guests will enter the water from the boat.

Guests requiring glasses to see will not be able to wear glasses under the snorkeling mask.

Approximate water depth at both snorkel sites is 10-30 feet.

Snorkel time is approximately one hour.

Although most likely, sea turtles at Turtle Cove cannot be guaranteed.

Guests are encouraged to bring sunscreen, sunglasses, additional clothing, hats, cameras and backpacks.

Wake Up People! See Through Their Division Tactics

Q !!mG7VJxZNCI 6 Mar 2019 - 11:34:41 PM

PEOPLE ARE PAWNS IN THEIR SICK GAME OF GLOBAL DOMINATION.
PEOPLE ARE DIVIDED TO PREVENT A RISING OF THE PEOPLE.
PEOPLE ARE DIVIDED AND TAUGHT TO FIGHT THEMSELVES INSTEAD OF THE RULING CLASS.
RACE VS RACE
RELIGION VS RELIGION
POLITICAL VS POLITICAL
CLASS VS CLASS

WHEN YOU ARE DIVIDED, YOU ARE WEAK.
WHEN YOU ARE WEAK, YOU HAVE NO POWER.

The bullshit has gone on long enough, we are changing the standard for Q Research General bakes. Too many groups are trying to control the narrative by gatekeeping the bake. New General Breads will only have the 1st post of the current dough so that Q's posts are always at the top of the bread. If you want a place to post tools and resources bake a new thread and maintain it.

Going forward all anons can submit notable buns for General Breads to this thread.
>>7003045 Q Research Notables Thread.
Only full buns will be accepted and more than one bun per bread is allowed.

Baker
Use this for your next dough
https://pastebin.com/pSdyjpiF

>>7003060
I think the war room and links to qproofs and tools are essential components of the bread.
They are up there to help anons and new lurkers to Q research .
It is one post per bread and has vital information for anons and newfags and normies.
It has the links to the sealed court cases, etc.

If you cut that out of the bread you are cutting out the heart of Q research. That war room bread post will be essential to new eyes coming to the boards.

The shills attack bakers all the time and the bread, and they have since the beginning.

As a longtime anon i don't think this is a wise choice.
Also captcha did not stop any shills, it just made things more difficult for all of us.
(like when your trying to post something important fast and you get stuck in captcha hell for a minute or 2)

As BO you should discuss these decisions with anons , bakers and BV'S before you (one person) decides to change the way the bread has been since November 2017.

I STRONGLY DISAGREE WITH SHORTENING THE BREAD AND KILLING THE WAR ROOM RESEARCH LINKS POST.

You are witnessing the greatest 'coordinated' misinformation attack (campaign) ever to be launched against the public – all in an effort to protect themselves from prosecution (public exposure) and regain power (control).
[Attempted removal of the duly elected President of the United States by illegal [manufactured] means]
They believed they could win **[con]** public support by controlled assets (media, tech, H-wood...).
These controlled assets set out to immediately create division through the use of a pre_designed misinformation campaign.
Groups such as 'Antifa' were funded and formed to prevent and/or lessen the appeal for 'regular' hard working Americans to gather and express non_narrative viewpoints.
Control of this 'projected narrative' depends primarily on their ability to 'con' the masses into thinking they are the majority.
The mindset of most: If the majority of people believe 'this', than 'this' must be more true than 'that' **[CIA_CLAS 1-99_56_Human_Psych_&_Emotional_Distress_IIED]**.
Without public support – they are powerless.
We, the People, hold the power.
UNITED WE ARE STRONG.

But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.

Smoke & Mirrors
Fake News Media's attempt to truncate size of movement while 'building up' size of the opposition.
Inauguration Day to current, attempts to diminish and instill a 'you are the minority' mindset (narrative) continues.
People want to believe they are part of the bigger group (size equates to accuracy in most minds) (acceptance)(the 'right' side).
One of the primary purposes of POTUS holding a RALLY is to demonstrate the massive appeal, energy, and size of this movement (+ability to correct false reporting and/or highlight achievements, goals, etc.).
(Compare & Contrast) 45-RALLY vs ANY SINGLE ONE of the **[D's]**.
What is obvious & true?
Why does POTUS mention crowd size at each and every RALLY?
What is projected by the MSM?
LIES becomes TRUTHS.
TRUTHS become LIES.
Smoke & Mirrors
You are the MAJORITY.
People UNITED & AWAKE is their BIGGEST FEAR.
Do you think it's a coincidence we are being attacked aggressively by some of the biggest media corporations in the world right after our return?
If we are simply a 'conspiracy' or 'LARP' or 'some kid living in a basement' as stated repeatedly, why do the world's largest media Co's continue to dedicate so much attention and time to attacking us?
Billion-dollar Co's expending resources to stop a LARP?
Billion-dollar Co's expending resources to attempt to 'shape the mindset (narrative)' to prevent and slow digestion of the masses?
You attack those you fear the most.
Why does the media rush to 'shape' events?
Why are the same 'keywords' always used?
Psych 101 – If you see and hear the same thing over and over again……..
They do not want you thinking for yourself.
They do not want you challenging their authority.
Logical thinking always wins.

Imagine what would happen, if, by law, every US Congressman/woman, US Senator, President etc. was by US law audited every 1-2 years by an independent agency.
Imagine what would happen if those audits extended to all family members of such 'elected' official?
Would D's continue to push for Foreign Aid to other C's vs. the Homeland?
What happens when the kickbacks dry up?
M. Waters $4mm House?
N. Pelosi net worth $150mm+?
J. Biden son/brother net worth tens of millions?
Clinton family $200mm+ (pre election of BC less than $1mm)?
Obama family $40mm+ (pre election less than $1mm)?
Disguised under book deals?
.....
Those who take are offered more powerful positions within the party (controlled).

[Pg 11] Previously CLAS 'scope' > **[RR]** to **[MUELLER]**
The scope memo **[highlighted w/in Mueller report]** confirms the 'dossier' was the 'tool' used by **[RR]** to justify SC and was the primary 'vehicle' to which **[RR]** tasked MUELLER.
If the dossier was known to be unverified and fake, how then was an investigation started to begin with?
At what point did MUELLER determine there was no collusion?
[18-months ago?]
Was the investigation kept ongoing as a 'talking point' to rig the midterm elections?
Was the investigation kept ongoing to retain the 'BLOCKADE' to essentially restrict POTUS from unmasking and informing the public as to the TRUTH about what really happened?
Was the investigation kept ongoing to PROTECT THOSE WHO 'KNOWINGLY' COMMITTED TREASON/SEDITION?

Q

checkmark coordinated attacks, etc.?
All for a 'conspiracy' on the Chans?
All for a 'LARP'?
Why is there a constant flow of disinformation being pushed re: Q?
Example:
Disinformation push re: Mueller is a white hat.
FAKE & FALSE narrative.
Think BLOCKADE.
When you can't attack the information directly, you attack the source, if that fails, you 'create false misleading information' to discredit knowing 'select' 'unaware' followers would not take the time to self-corroborate the claims (same vehicle/tactics used by FAKE NEWS media).
Logical thinking always wins.
Nothing can stop what is coming.
As the target(s) turn to the other side, the attacks will intensify.
We have the source.

Why did we highlight the rally last night by showcasing volume of support?
Define 'Bait'.
How many FAKE NEWS Twitter journalists are tweeting about 'Q' today re: rally attendance last night?
These people are stupid.

ATTN PRESS / MSM

When you see something that's outrageous: before latching onto it you must first understand this is open to anyone. Posts are made to try and attribute the most outlandish and unrelated things to our work ... intended to support the narrative that we are loons and discourage others from joining us. Use this tool to help spot this deception: http://qresear.ch and type the exact text of a given subject and you will see it posted thousands of times. We aren't idiots and don't repeat a topic 24x7.

They don't contribute to any active discussion, regardless of the gravity of the news. They also have much higher post counts, usually over 15. This is viewed as disrespectful to other anons, as there are limits on each thread to the number of replies. Thus these ruses are easy to spot.

The most common are hateful towards a given group or what we call "slides" where it's intended to distract from major news. These are entirely planted, and users are paid to do so. This board is not much different from any comment section on a site, and yes they get paid to "shape" opinion there too. The notion we can prevent something like this, when anyone can post anonymously, is a huge leap. We are busy with current events and research and filter them or ignore it. This isn't one of your safe spaces, so if you can't discern the difference, you shouldn't be here.

Thanks For Playing, Come Again
TOGETHER WE ARE STRONG
DIVIDED WE ARE WEAK

Think plane tracking?

So is the DOJ plane in the UK picking up another passenger besides the CP king? Christopher Steele is key to the dossier & basis for the FISA, and would probably have an indictment. Is he getting shipped over here to the US? Are we going to be seeing him in front of the Senate? UK is helping to DECLAS FISA.

Q-Digging on MAGA Coalition shows obvious fraud. Also those associated are non-stop attacking and obviously coordinated. Why would a PAC attack us? This in itself shows its FAKE. This PAC also engages known shills/frauds. Do we still dig? Many reported to the IRS.

When you offer 'better' goods and services for free there is no longer a need to 'donate' 'purchase' and/or 'follow' those who would use such platforms to enrich themselves. (hence the 'attacks')
Logical thinking always wins.
Attempts to 'divide' the movement draws LIGHT to their TRUE INTENTIONS.

Interference 3-25-19.PNG

Now that we know for sure that special counsel Robert Mueller, the U.S. intelligence community and Republicans on the House and Senate Intelligence Committees found no evidence that President Trump conspired with Russia to hijack the 2016 election, it is worth stepping back and evaluating the electoral impact of one of the greatest faux scandals in history.

Before doing that, though, let's summarize what we now know about the origins of the investigation.

Hillary Clinton and the Democratic National Committee asked their law firm, Perkins Coie, to hire the political opposition research firm Fusion GPS to dig up dirt during the 2016 election on Trump and Russia. Fusion, in turn, hired former British intelligence operative Christopher Steele, who turned to a "retired" Russian intelligence officer in the United States to get most of this dirt.

Steele took his information to the FBI and senior Justice Department official Bruce Ohr to interject it into law enforcement circles and make it a criminal matter. According to Ohr, Steele was "desperate" to defeat Trump and viewed his dossier as raw intelligence that was not verified. To augment that research, the Clinton campaign had a Democratic operative working with Ukraine's embassy in Washington to research Trump's Russia ties, as well as a Ukrainian lawmaker feeding information to Fusion GPS.

In another words, the main evidence used by the FBI to justify a Foreign Intelligence Surveillance Act (FISA) warrant to spy on the Trump campaign in its final weeks before the 2016 election, and for much of 2017, came from a political dirty-trick operation paid by Trump's Democratic rival and run by a foreigner who disliked Trump.

That operation gathered uncorroborated evidence from foreigners in Russia and Ukraine who had their own motives for influencing the election.

Now, if the FBI probe ran with the secrecy of a normal counterintelligence operation, Americans never would have heard all of this, especially when the core allegations — in the Steele dossier — turned out to be bogus.

But the FBI, Fusion GPS's Glenn Simpson, Steele, U.S. intelligence officials and lawmakers briefed in Congress all leaked various details to the news media, creating a furor unseen since Watergate. The only difference is, Watergate involved proven crimes by a president and the Russia-collusion narrative ultimately did not.

Simpson acknowledged in a conversation with Ohr that his and Steele's last-minute contacts with reporters during the 2016 election were a "Hail Mary attempt" to influence voters.

1 Hill Solomon re 2018 Election Interference 3-25-19.PNG

Over the past two years, I have talked with law enforcement and U.S. intelligence officials who unequivocally told me they found no evidence that Trump and Russia colluded. Yes, Russia hacked Democratic emails and bought some Facebook ads to influence the election, but such activity was not coordinated with the Trump campaign.

Yet, key lawmakers such as Rep. Adam Schiff (D-Calif.) and Sen. Mark Warner (D-Va.) continued to insist there was evidence of collusion, circumstantial or otherwise. They were talking to the same FBI and intelligence agencies as Mueller and I did — and that means what they said in public was not consistent with what they were told in private.

But Schiff, Warner and others found a receptive audience in the news media, where misinformed or inexperienced reporters delivered a 24/7 barrage of stories intended to corroborate a collusion plot that did not exist.

CNN, for example, reported there was evidence a Russian bank's servers secretly transmitted instructions to the Trump Tower. The FBI said it did not.

The New York Times reported senior Trump campaign officials met with senior Russian intelligence to collaborate during the election. The FBI, Congress, U.S. intelligence and Mueller found no such meeting happened, and former FBI Director James Comey publicly debunked the newspaper report.

Carl Bernstein, the reporter of Watergate fame, declared another Nixonian-sized scandal was brewing and that Mueller's report would prove how Trump helped Russia "destabilize" the United States. The report did not.

Former CIA Director John Brennan boldly predicted on MSNBC that Mueller had secured numerous sealed indictments. He had not.

In all, more than 530,000 stories were written between May 2017 and this month about a Trump-Russia investigation that, ultimately, found no collusion. The earned media impact of that negative coverage likely would have cost billions of dollars if a Democratic candidate had tried to buy such coverage.

But the news media provided it free of charge, fanned by the commentary of lawmakers and intelligence officials such as Brennan and former National Intelligence Director James Clapper, whose public comments contrasted with the secret intelligence.

As the "Impeach Trump" machine raged with fuel provided by Democrats and an errant media, a funny thing happened: More than three dozen Republican incumbents in Congress announced they were retiring in 2018, leaving the GOP with a gaping hole in the House that Democrats exploited.

2 Hill Solomon re 2018 Election Interference 3-25-19.PNG

Polls showed the impact of the Russia coverage on voters. About half of American voters declared they believed Trump or his aides had colluded with Russia, even though they hadn't.

It is the most compelling proof in a long time that false information repeated long enough becomes truth for many people.

Although we are still coming to grips with the finality of the Mueller report, one thing has become increasingly clear: The Russia collusion narrative — fanned by foreigners, dirty tricksters and a willing media — did, in fact, impact an American election. Not the one in 2016, but the midterm that came two years later.

John Solomon is an award-winning investigative journalist whose work over the years has exposed U.S. and FBI intelligence failures before the Sept. 11 attacks, federal scientists' misuse of foster children and veterans in drug

Started digging on the pic Q posted, trying to figure out who took the pic.

Doing a search of it on Tineye, the first article that pops up is from True Pundit, last March.

One thing that popped out, going to dig further in a bit, was the location the pic was taken:

“Clinton is seen here kicking back at a beach day in Jan. 2017 in Palmilla, Bayahibe, an exclusive haven of warm waters and refuge, near the so-called Paso de Catuano, very close to Isla Saona. This resort is only in accessible by private boat.”

No idea who took the pic yet, still digging, but thought I’d share the location in case it helps one of you.

Anybody know anything about this “resort” ?? Is it a “Last Resort” ?

>Decide for yourself (be free from outside opinion).
>Decide for yourself (be objective in your conclusions).
>Decide for yourself (be true in your own beliefs).

Those who attack you.
Those who mock you.
Those who cull you.
Those who control you.
Those who label you.
Do they represent you?
Or, do they represent themselves (in some form)?
Mental Enslavement.
The Great Awakening ('Freedom of Thought'), was designed and created not only as a backchannel to the public (away from the longstanding ‘mind’ control of the corrupt & heavily biased media) to endure future events through transparency and regeneration of individual thought (breaking the chains of ‘group-think’), but, more importantly, aid in the construction of a vehicle (a ‘ship’) that provides the scattered (‘free thinkers’) with a ‘starter’ new social-networking platform which allows for freedom of thought, expression, and patriotism or national pride (the feeling of love, devotion and sense of attachment to a homeland and alliance with other citizens who share the same sentiment).
When ‘non-dogmatic’ information becomes FREE & TRANSPARENT it becomes a threat to those who attempt to control the narrative and/or the stable.
When you are awake, you stand on the outside of the stable (‘group-think’ collective), and have ‘free

thought'.
"Free thought" is a philosophical viewpoint which holds that positions regarding truth should be formed on the basis of logic, reason, and empiricism, rather than authority, tradition, revelation, or dogma.
When you are awake, you are able to clearly see.
The choice is yours, and yours alone.
Trust and put faith in yourself.
You are not alone and you are not in the minority.
Difficult truths will soon see the light of day.

Define 'Lifelog' **[DARPA]**.
"an ontology-based (sub)system that captures, stores, and makes accessible the flow of one person's experience in and interactions with the world in order to support a broad spectrum of associates/assistants and other system capabilities". The objective of the LifeLog concept was "to be able to trace the 'threads' of an individual's life in terms of events, states, and relationships", and it has the ability to "take in all of a subject's experience, from phone numbers dialed and e-mail messages viewed to every breath taken, step made and place gone".
Define 'FB'.
The Facebook service can be accessed from devices with Internet connectivity, such as personal computers, tablets and smartphones. After registering, users can create a customized profile revealing information about themselves. Users can post text, photos and multimedia of their own devising and share it with other users as "friends". Users can use various embedded apps, and receive notifications of their friends' activities. Users may join common-interest groups.

endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. — That to secure these rights, Governments are instituted among Men (& Women), deriving their just powers from the consent of the governed, — That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn that mankind are more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. —

Ask yourself a very simple, logical, question.
What is a FISA warrant/application?
Is it a highly confidential **[safeguarded]** product of the UNITED STATES GOV?
If a product of the US GOV _ how did UK/AUS know what was listed inside of the package?
Think call to POTUS to prevent DECLAS **[sources & methods]**.
If the US GOV requests UK/AUS **[+2]** to spy **[+ campaign insertion]** on an AMERICAN PRESIDENTIAL PRE_NOMINEE + POTUS ELECT, is there a CHAIN OF COMMAND to APPROVE such AUTH?
Paper trail of the CHAIN OF COMMAND & umbrella spy metadata?
If not tasked & targeted under FVEY - what legal authority existed to engage the targeting?
Think Nunes' statement "not through normal collection, gathering, and reporting/oversight re: (FVEY)."
Did the dossier provide the 'bulk data' anchor for the spy campaign?
What entity paid for the 'research' dossier?
Opposition candidate?
What US Ally completed the collection of false data?
Why was it important to use sources within the UK vs. US?
How do you circumvent US LAW?
What other 'anchors' were provided to FISC in order to gain the warrant? **[DECLAS will show]**.

Was the 'other' data (collection/process) worse than the dossier?
Why didn't FISC require 'in room' presentations of the data prior to 'sign off'?
Who signed apps 1-4?
Who traveled to UK/AUS post election of POTUS?
Why were SECURITY PRIV removed from select 'formerly active' individuals?
Treason-Sedition-Corruption at the highest levels of GOV (WW).
How do you repair a bridge without closing it down?

Why have there been no arrests?
Why have 'specific' dates been mentioned only to see no action?
Define 'game theory'.
Why must disinformation be provided?
Define 'open source'.
Define 'public purview'.
Do we let our enemies walk through the front door?
Define 'plausible deniability'.
Why was it important to FIRST clean house within the FBI & DOJ (public info)?
Why was it important to FIRST clean house within other ABC agencies (non_public info)?
What are the duties of the FBI?
What are the duties of the DOJ?
When does MIL INTEL have jurisdiction?
What vested powers does POTUS have re: MIL INTEL vs. ABC agencies re: matters of NAT SEC (HOMELAND)?
Think 'umbrella surv'.
What agency does the FBI report to?
What is the role of the AG?
Does the AG oversee the firing of FBI & DOJ senior/mid/lower staff?
How many FBI & DOJ were FIRED/FORCED?
Does 'Russia' recusal prevent/block AG from this responsibility?
What time period did this occur?
Who appointed and tasked HUBER?
Who appointed and tasked the OIG?
Who was AG?
[zero leaks - none]
Transfer from AG1 to AG2?
Why might that be important?
How do you avoid 'politically motivated/attack - obstruction - attempt to block/obstruct Mueller'?
Optics are important.
When are optics not important?
Think Whitaker.
Define 'stage set'.
Who recently walked 'on stage' to take command?
What 'stage' experience did this person have?
Think Bill Clinton impeachment.
Has the 'stage' been cleaned & cleared for the next performance?
If the 'stage' is clean, can the performance begin?
How might 'transparency' **[DECLAS]** fit into the dialogue?
Define 'thesis' statement.

What benefit(s) does this provide BARR?
"This is not simply another four-year election. This is a crossroads in the history of our civilization that will determine whether or not we, the people, reclaim control over our government." - POTUS
Logical thinking.

POTUS formally announced his candidacy on June 16, 2015.
Why did the HRC campaign actively work to push POTUS as the 'right' candidate for GOP?
Why did the HRC campaign publicly attack POTUS' opponents?
Why did the HRC campaign want POTUS to be the nominee?
Did the FAKE NEWS play along?
Think pre_nominee.
What 'set up' 'insurance' file was created 'assuming POTUS would become the nominee?

"Normally, intelligence passed on from a member of the "Five Eyes" alliance — Australia, Canada, New Zealand, the U.K., and the U.S. — to another member comes through an official channel for intelligence sharing.
However, Nunes, upon reviewing the document that formally launched the FBI's investigation, said there was no intelligence shared through that official channel, meaning that the intelligence was shared through unofficial means."

The Armor of God
Finally, be strong in the Lord and in his mighty power. Put on the full armor of God, so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests.

With this in mind, be alert and always keep on praying for all the Lord's people.

Ask yourself a simple question, should a woman who travels to Syria to support and encourage 'JIHAD' against the 'West' deserve to live.....?
Ask yourself a simpler question, if brainwashed by ISIS terrorists (her husband and other close-proximity fighters), could this same woman be 'tasked' & 'trained' to carry out a TERRORIST ACT upon return?
Why did ISIS launch a social media campaign designed to 'attract' US/UK (and other foreign nationals) to join their cause?
Logical thinking.

Patriots, you have been selected as 'threats' and falsely labeled as 'Foreign Disinfo' agents (though they attempt to disguise at the bottom as 'not all'). This is an attempt to target & remove by false pretense all threatening voices (ELIMINATION OF FREE SPEECH TO PREVENT LOSS OF

CONTROL). These actions are now being monitored and would strongly encourage forwarding this information to the appropriate members of Congress, Senate and the media. We believe this is a 'test run' to effectively silence the

opposition while testing the potential media backlash and/or 'official' response. This attempt to remove/silence ('FASCISM') those who oppose their view/narrative should further demonstrate their resolve to control the 'message' / 'narrative' (win at any cost).

Coleman told us that he kept regularly took notes in a journal. Coleman's notes from October 4 contained the following entry:

(1) Anthony Wiener [sic]
(2) [Unrelated]
(3) Wiener [sic] – texting 15 yo – Sexually Explicit
9/26 – Federal SW – IPhone/IPAD/Laptop
Initial analysis of laptop – thousands emails
Hillary Clinton & Foundation
Crime Against Children

We asked Coleman about these notes and he told us that, given their placement in his notebook, the notes would most likely represent information he was briefed on first thing in the morning by his subordinates in the Criminal Investigative Division. Coleman stated that he may have passed this information to other FBI executives after the morning briefing with the Director, but he could not remember if that occurred here.

What happened to the Mueller hype?
What happened to the Mueller will take down POTUS threats **[@JohnBrennan]**?
Was MUELLER the 'insurance' policy aka BLOCKADE designed to limit/restrict POTUS' ability to enforce the law?
[TRAITORS]

[TRAITORS]
New talking points being pushed backing away from Mueller as the savior re: excuse A, excuse B, excuse C?
Why are *new* investigations by **[AS]** being started, if, as he's stated for almost (2) years, 'evidence' exists that ties POTUS to Russia?
If they had evidence, do you think it would have leaked?
If they had evidence, would they be backing away (playing down) the Mueller report about to be released?
First they pushed for a SC.
Now they claim the SC didn't look deep enough?
IF THE SC REPORT IS CLASSIFIED - HOW DO THEY KNOW WHERE, WHO, WHEN, WHY, AND HOW DEEP EACH CASE .....?
IF THE SC REPORT IS CLASSIFIED - HOW DO THEY KNOW THE CONCLUSIONS OF THE REPORT?
Are *new* investigations designed to be an 'insurance' extension?
Designed to prevent POTUS from CLEANING HOUSE?
Attack on political opponent(s) who is/are actively conducting (leading) investigations into the President for XYZ charges beyond Mueller for XYZ reasons (zero evidence to support) - OBSTRUCTION TRAP?
[SDNY] opening 'private' investigation for the sole purpose of FINDING A CRIME?
Evidence to support?
Evidence presented?
Does **[SDNY]** report to AG BARR?
Watch the news.
[MW] opening *new* investigations into the 'finances' of POTUS and/or his family?
Why did D's state 'things will calm down if we retake the House' prior to the midterm elections?
Was their plan to retake the House in order to 'chair' each respective committee in order to start *new* erroneous investigations in an attempt to retain the BLOCKADE?
Retain the 'insurance' policy?
Retain the optical illusion that a crime was committed?
Retain the narrative?
Retain D_base outrage?
Retain D_base obstruction?
Retain D_base support to block POTUS' agenda?
If you know your opponents move, what advantages that does present?
If you have the TRUTH on your side, what advantages does that present?
If you have full control of the US MIL, what advantages does that present?
If you have complete AUTH TO DECLAS, what advantages does that present?
If you have the SUPPORT OF THE AMERICAN PEOPLE (PATRIOTS), what advantages does that present?
DO NOT TRUST THE FAKE NEWS MEDIA.
YOU ARE THE MAJORITY.
MUELLER > DECLAS > OIG > TRUTH > JUSTICE
THE GREAT AWAKENING.
YOU ARE THE NEWS NOW.

Is the boat dock relevant? Did the people in the photo arrive via boat? I'd assume that's preferable as most points of entry will have lots of security and cameras.

I just checked googlemaps (i konw nothing of UK geography) and it

looks like yes: you could take a boat from France (or really anywhere on the atlantic) and then mosey on over to the Corinthian. I wonder if the traffic cam is new and nobody knew about it?

Also in the photo of "LP" (hard to see, we assert, not known) it looks like they're walking away from the boat dock. Not conclusive that they came from there, but does hint towards that.

Why do they slander (push fake labels > racist, sexist, ...ist etc.)?
Why do they create 'emotional outbursts' when challenged?

> We don't even question if what we see on social media is real or not. We don't even question if a grassroots movement is really grassroots. You know, there's a way to start a grassroots movement. You write an algorithm, and you create all this outrage, and you're basically throwing out all the sparks that light the fire, so then it becomes a grassroots movement because it takes nothing to set that in motion. But did it really begin as one? And if it didn't begin that way, but was manipulated and paid for by someone and serves someone's political purpose, is it really what we believe it is?
>
> ...
>
> People were manipulated into doing that. ... Who's behind it? Who's doing it, and why are they doing it? And what else are they doing? Those things are profoundly significant, and we're not even trying to find out who it is. That really bothers me.

Logan dismissed news media claims allegedly rooted in singular anonymous government sources as unreliable. "That's not journalism, it's horseshit," she said.

"Responsibility for fake news begins with us," said Logan, referring to journalists and reporters.

Logan recalled for Media Matters for America (MMFA) targeted her following a 60 Minutes report she filed related to the September 11, 2012 Islamic terrorist attack on the U.S. diplomatic compound in Benghazi, Libya. "I made one comment about Benghazi," remarked Logan, " [then] I was targeted by Media Matters for America, which was an organization established by David Brock, who has dedicated himself to the Clintons. It was their known propaganda organization."

In February of 2011, Logan was sexually assaulted — and nearly murdered — by numerous men in Cairo, Egypt, while reporting on the ousting of then-Egyptian President Hosni Mubarak. She shared some details of the attack's nature, including

"Piece by piece, they tore all my clothing off, and just tore my body almost to pieces, and tore my insides apart," recounted Logan. "I saw people taking pictures. ... I remember fighting, being raped, and being able to sometimes push people away, and then I remember just realizing that there were too many of them — and it was over and over and over again — and that there was always someone else when you could fight one person."

Towards the end of the interview, Logan quipped, "This interview is professional suicide for me."

What Bill did the Senate recently pass re: lynching?
Who were the authors of the Bill?
What FF event took place just prior to the passing of the Bill?
Did the FF event involve a 'noose'?
Did the FF event sway Senators in their decision to prevent FAKE NEWS attacks re: Smollett case?
Did FAKE NEWS contact many Senators prior to vote seeking out pro/nay in attempt to coerce using Smollett case as foundation for possible future smear?
What is the mathematical probability of these **[2]** events occurring within this same time period?
What is the relationship of Smollett & Booker/Harris?
Will Rahm Emanuel get involved?
Will the Chicago PD cave under pressure?

black pop waking up?

10 Oct 31 2017 23:29:28 (EST) **Anonymous** ID: grTMpzrL 147443190→

Why do D's want to control the black pop?
Why do they intentionally keep poor and in need?
Why do D's project racism on a daily basis against R's?
Why do black elected officials do the crazy talk on behalf of D's?
How do D's cover the historical facts of forming the confederacy, KKK, and oppose all things pro black re: legislation?
What happens if D's lose the slave grip on the black pop?
Why do D's, through the funding of the CIA, prop up and install Hollywood/media assets?
Does this fall within Operation Mockingbird?
What were the historical advantages D's gained by having MSM and famous people peddling narrative?
Who exposed the pedo network within H wood?
You can't answer the above but will laugh once disclose details.
The network which controls this false narrative which in turns keeps the black pop under control is being dismantled.
False local and national black leaders will be exposed next as shills for the D party.
Follow the money.
Maxine W has a $4mm home and cash assets in excess of $6mm.
How is that possible? One example.
All of these questions help to paint the full picture.

These phrases below imply that Trump plans on following his constitutional rights no matter what he signed iin the "Consolidated Appropriations Act, 2019" (the "Act"), which authorizes appropriations to fund the operation of a number of agencies in the Federal Government through September 30, 2019.
"My Administration will treat each of these provisions consistent with the President's constitutional authorities with respect to foreign relations."
And
"my Administration will continue the practice of treating provisions like these as advisory and non-binding."
And
"My Administration will make appropriate efforts to notify the relevant committees before taking the specified actions and will accord the recommendations of such committees all appropriate and serious consideration, but it will not treat spending decisions as dependent on the approval of congressional committees."

Trumps statement is brilliant Deep State loaded the bill with multiple facets to block it and his white house statement just released systemically points out section by section where they tried to block him and he's countering that by citing presidential and constitutional authority.

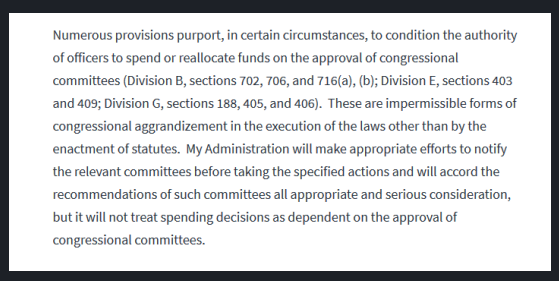

Shall we play a game?

> Numerous provisions purport, in certain circumstances, to condition the authority of officers to spend or reallocate funds on the approval of congressional committees (Division B, sections 702, 706, and 716(a), (b); Division E, sections 403 and 409; Division G, sections 188, 405, and 406). These are impermissible forms of congressional aggrandizement in the execution of the laws other than by the enactment of statutes. My Administration will make appropriate efforts to notify the relevant committees before taking the specified actions and will accord the recommendations of such committees all appropriate and serious consideration, but it will not treat spending decisions as dependent on the approval of congressional committees.

Why was she 'selected'?
Who appointed her?
Remember **[her]** history.
Ref: 230-page book called Sex Bias in the U.S. Code, published in 1977 by the U.S. Commission on Civil Rights.
Highlights:
>Called for the sex-integration of prisons and reformatories so that conditions of imprisonment, security and housing could be equal. She explained, “If the grand design of such institutions is to prepare inmates for return to the community as persons equipped to benefit from and contribute to civil society, then perpetuation of single-sex institutions should be rejected.” (Page 101)
>Called for the sex-integration of Boy Scouts and Girl Scouts because they “perpetuate stereotyped sex roles.” (Page 145)
>Insisted on sex-integrating “college fraternity and sorority chapters” and replacing them with “college social societies.” (Page 169)
>Cast constitutional doubt on the legality of “Mother’s Day and Father’s Day as separate holidays.” (Page 146)
>Called for reducing the age of consent for sexual acts to people who are “less than 12 years old.” (Page 102)
>Asserted that laws against “bigamists, persons cohabiting with more than one woman, and women cohabiting with a bigamist” are unconstitutional. (Page 195)
>Objected to laws against prostitution because “prostitution, as a consensual act between adults, is arguably within the zone of privacy protected by recent constitutional decisions.” (Page 97)
>Ginsburg wrote that the Mann Act (which punishes those who engage in interstate sex traffic of women and girls) is “offensive.” Such acts should be considered “within the zone of privacy.” (Page 98)
>Demanded that we “firmly reject draft or combat exemption for women,” stating “women must be subject to the draft if men are.” But, she added, “the need for affirmative action and for transition measures is particularly strong in the uniformed services.” (Page 218)
>An indefatigable censor, Ginsburg listed hundreds of “sexist” words that must be eliminated from all statutes. Among words she found offensive were: man, woman, manmade, mankind, husband, wife, mother, father, sister, brother, son, daughter, serviceman, longshoreman, postmaster, watchman, seamanship, and “to man” (a vessel). (Pages 15-16)
>Wanted he, she, him, her, his, and hers to be dropped down the memory hole. They must be replaced by he/she, her/him, and

hers/his, and federal statutes must use the bad grammar of “plural constructions to avoid third person singular pronouns.” (Page 52-53)
>Condemned the Supreme Court’s ruling in Harris v. McRae and claimed that taxpayer-funded abortions should be a constitutional right.

More importantly, why is the WASH POST leading the attack vs 'Q'?
Who owns the WASH POST?
Who funds Amazon?
Who targeted NSA re: SURV expose/prevent pre U1 / IRAN?
Why are we attacked daily by the largest news co's on the world?
Use caution - high follower count targeting to direct 'deep in narrative' mob as method to remove.

POTUS: "This can never be allowed to happen again (in our Country or to another President)."
How do you deter & prevent this from happening again?
Simply by terminating employment of those responsible?
Simply by conducting a few 'non-threatening' investigations?
Or by:
Prosecuting those responsible to the fullest extent of the law?
Setting up new checks & balances and oversight designed to increase transparency?
Provide OIG office(s) w/ funding inc (size) ++ authority?
Provide select committees w/ access and in-house viewing of non NAT SEC CLAS material?
Provide a check on Directors/Dep Directors/Asst Directors of all such ABC agencies?
Establish 'financial checks/reviews' of those in senior (critical) positions (audits) + direct family (close proximity)?
Transparency and Prosecution is the only way forward to save our Republic and safeguard such criminal and treasonous acts from occurring again.
While some want to quietly remove those responsible and go about our business (save face on the World Stage), those in control, understand, this band-aid will simply not work.
Nobody should be above the law (no matter how massive the spider-web is (entangled)).
This will never happen again.
TRUTH WORKS.
FACTS MATTER.

If **[AS]** has seen 'evidence' of collusion and/or POTUS/RUSSIA illegal activities, as he's stated in the past many times across all D-arm media networks, why then is there a need to open 'new' investigations?
What about the so-called 'evidence' already seen?
How is **[AS]** making open statements re: MUELLER not investigating POTUS/Deutsche Bank thorough enough if the MUELLER investigation itself is CLASSIFIED?

Why do D's push for NO VOTER ID in U.S. elections?
Why do D's push for OPEN BORDERS?
Find the connection.
Sometimes a MAP helps.
What SC decision (6-3) ruled VOTER ID did NOT suppress votes or deter minorities?

Racist?
Voter suppression of minority vote?
When is an ID required?
Should an ID not be required at all (for any reason) given the argument made by D's?
Does the argument 'A NATIONAL VOTER ID LAW would suppress the minority vote' suggest minorities are incapable of obtaining an ID?
When is an ID required?
Which minorities are they referring to? (illegal immigrants?)
Logical thinking.
If there is a previous SC decision on the matter (pre-POTUS Justice conf), would a NATIONAL VOTER ID LAW MANDATE using the SC ruling of 2008 (+ common sense logic/arguments) as the LEGAL FOUNDATION, have merit?
Is every other country that has a VOTER ID LAW considered racist?

How do D's control the NARRATIVE?

Psych 101: If you hear & see something over and over again by multiple (supposedly credible) news agencies, elected officials, actors/actresses, documentaries on TV, movies, internet, social media, foreign press etc. all pushing the same narrative/conclusions.....what happens?
Do FACT-LESS claims become FACTS in the minds of many?
Do they count on the fact that w/ work, family, stresses of life, etc. that the typical person does not have enough time in the day to research topics for themselves and therefore would believe narratives projected in the echo chamber w/o the need to provide facts or substance other than opinion?
Why do they try so hard to keep you DIVIDED by race, gender, class, ...?
Notice an increase in this push over the past 2-years?
Are you stronger together/UNITED or DIVIDED?
If you dare to challenge their narrative are you cast out **[banned]** by society as a threat/conspiracy theorist etc..?
Are you cast out by members of your own family?

ALL THEY CARE ABOUT IS CONTROL **[I.E. POWER]**.
WITH CONTROL COMES PERSONAL GAIN.
They want to keep you poor and in need of government assistance.
Bigger the gov't, the more CONTROL they have, the more POWER they possess.
When you are in need, you are weak.
When you are weak, you are not strong.
When you are not strong, you do not FIGHT BACK.

Transparency is the only way to PROVE TO THE PUBLIC that everything SOLD TO YOU as TRUTH was nothing but a FAKE NARRATIVE DESIGNED TO KEEP, YOU, THE PEOPLE, POWERLESS, AND KEEP THEM, IN CONTROL **[I.E. IN POWER]**.
FAKE NEWS' **[propaganda arm of the Democrat machine]** sole responsibility is to prevent the TRUTH from ever being disseminated to the masses.

Ginsburg Missing Supreme Court Arguments for 1st Time

By The Associated Press

Jan. 7, 2019

WASHINGTON — The Supreme Court says Justice Ruth Bader Ginsburg is missing arguments for the first time in more than 25 years as she recuperates from cancer surgery last month.

Court spokeswoman Kathy Arberg said Monday the 85-year-old Ginsburg is continuing to recuperate and work from home after doctors removed two cancerous growths from her left lung odn Dec. 21.

Ginsburg was discharged from a New York hospital on Christmas day.

Ginsburg had two earlier cancer surgeries in 1999 and 2009 that did not cause her to miss court sessions. She also has broken ribs on at least two occasions.

The court said doctors found the growths on Ginsburg's lung when she was being treated for fractured ribs she suffered in a fall at her office on Nov. 7.

Complete BLACKOUT by the FAKE NEWS MEDIA?
Ask yourself, why?
Are they afraid of U.S. Patriots engaging in the same tactics?
Did the LIBERAL LEFT (OLD GUARD) engage and form organizations such as ANTIFA TO COMBAT AND SILENCE (FASCISM) any such DEVIATION OF THE CONTROLLED NARRATIVE?
Do the actions of those Patriots abroad DESTROY THE FAKE NEWS NARRATIVE re: majority agree w/ the policies of the LIBERAL LEFT?
WE WILL NOT GO SILENT INTO THE NIGHT.

Wow what a show!

President Trump on Tuesday engaged in an extraordinary argument with Democratic congressional leaders over his demand for border-wall funding, threatening a government shutdown if he does not get the money.

"I will be the one to shut it down," he told House Minority Leader Nancy Pelosi (D-Calif.) and Senate Minority Leader Charles Schumer (D-N.Y.) at the White House.

During the contentious meeting in the Oval Office, Pelosi (D-Calif.) repeatedly asked Trump not to discuss the funding request in front of the news media.

"You will not win," Pelosi told Trump.

The meeting was scheduled to be closed to the press but the White House unexpectedly opened it to reporters just as Pelosi and Schumer were arriving at the White House.

The exchanged heightened the sense of drama surrounding government-funding stalemate between Trump and Democrats.

Role of Huber (as portrayed by 'Q')?
What are the odds (mathematical probability) that Huber would be scheduled to testify re: Clinton Foundation on D5?
What are the odds (mathematical probability) GHWB passes away and the State Funeral date is on D5?
What other interviews and investigations were wiped clean (postponed) given a STATE FUNERAL takes up media coverage for a week?
Why does the (global) FAKE NEWS media **[largest in the world]** continually attack 'Q'?
Why is the WASH POST leading the attack?

"New Clinton Foundation Whistleblower TBA Next Monday?"

In a discussion between Hannity, John Soloman and Sara Carter, something new came to light about the Clinton Foundation investigation.

I hope this Anon get a promotion

HANNITY: Now: there's something percolating that will probably break Monday. You're both smiling. Do either one of you want to give the audience....well, a little heads up.....

JOHN: I'll give you some breaking news right now, Sean. Just two hours ago, federal prosecutors assigned to John Huber, the **[Utah]** US Attorney investigating the Clintons, reached out to a whistleblower in the Clinton Foundation, **[this is the]** first time we've seen contact between a Clinton Foundation whistleblower and that particular federal office. That just happened tonight.

HANNITY: Are you talking about the one who's home was raided?

JOHN S.:No, this is a new—a different whistleblower that you might.....you'll learn a lot on Monday, I betcha.

HANNITY: All right, we'll learn a lot more on Monday. Sara, last word...

SARA: We need to keep our eyes—

HANNITY: What's the preview of Monday's coming attraction?

SARA (big laugh): I think we've got a lot to look forward to on Monday, Sean. And I think the American people are going to see that there was **[something]** happening behind the scenes at the FBS as well as the Dept of Justice. And Michael Horowitz has been doing a very deep dive into this... There's gonna be a lot of breaking news in the next month and **[in]** the months to come.

HANNITY: Amazing the year of the boomerang. We were right all along. It continues.

The "Experts"
But… SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP
But… SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP [team of less than 20 typically] & wait 2-4 years [take a gamble]
But… SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP because unlike the CLINTON EMAIL CORRUPT CASE [as demonstrated by the FBI/DOJ people FIRED/REMOVED] this will be conducted faithfully and honestly [like MUELLER]
But… HUBER has not 'directly' interviewed several witnesses therefore the appointment of HUBER by SESSIONS [and therefore the IG] is not genuine
But… SESSIONS & HUBER are following standard DOJ open/ongoing investigation policy by not discussing [making public] so therefore nothing must be happening [FIRE SESSIONS!]
But… HUBER [ability to prosecute + empanel a grand jury outside of DC [90%+ voted HRC (2016)], who already began the investigation(s) late last year w/ assigned team of 470 investigators (attorneys) + IG + legal jurisdiction across all 50 states, is not a 'special counsel' so therefore nothing is being done

1DmNv2F7UUAAx8R5.jpg

But… POTUS is attacking SESSIONS via TWITTER so therefore he is not working on behalf of the people's interest (or POTUS') [D's/LEFT LOVE/TRUST SESSIONS!]
But… interestingly, if nothing is being done

behind the scenes, why are so many FBI & DOJ senior officials being FIRED and/or REMOVED from their respective positions of power? Who is AG? Who must sign off on each removal? DOJ in charge of FBI?
But… interestingly, if nothing is being done behind the scenes, why are there 50,000+ sealed indictments across the US [what % = USA v. X?]? Coincidence vs. HUBER start?
But… interestingly, if nothing is being done behind the scenes, why are many 'powerful' CEOs, members of Congress/ Senate, resigning? Coincidence? Example: Pre_POTUS did the SPEAKER OF THE HOUSE indicate wanting to leave politics?
But… interestingly, if nothing is being done behind the scenes, why are human trafficking arrests SURGING?
……
Clickbait & opinions vs logical thinking.
Direct communication necessary.

We are at war.
Think logically.
Why was winning the House majority the primary goal for them?
To this point, what chamber is currently directing the DOJ/FBI investigations?
To this point, what chamber do they feel most threatened by?
While the focus was on the House for them (due to above), our underlying focus was adding PRO_POTUS members to the Senate and safely securing a PRO_MAJORITY.
THE SENATE IS WORTH SO MUCH MORE.
THE SENATE CONTROLS JUDGES & CABINET POSITIONS W/O HOUSE APPROVAL.
THE SENATE JUDICIARY COMMITTEE HAS DIRECT OVERSIGHT OVER THE DOJ&FBI **[MORE POWER THAN THE HOUSE]**.
While we had a senate majority on paper, in reality, we never did, nor could we count on bringing investigations to that body until it was safely in our full control.
THE SENATE WAS ALWAYS THE PRIMARY OBJECTIVE.
Moves & countermoves.
We defied history by picking up Senate seats.
Patriots delivered.
Disinfo is necessary.
Enemy at the front door.
Our attempt at reassurance re: last drops re: House >>> Senate backed by POTUS tweet directly thereafter stating the same thing should have put this to bed.
How many coincidences before it's mathematically impossible?

The entire world is watching.
Patriots from around the world are praying for AMERICA.
We are all bound by a feeling deep inside, a feeling that cannot be publicly expressed for fear of ridicule, a feeling that challenges the mainstream (narrative), against that which we are told to accept and dare not question, put simply, that people are being abused by those in power and time is running out.
Remember the battles of Lexington and Concord - "Give Me Liberty or Give Me Death!"
For far too long we have been silent and allowed our bands of strength, that we once formed to defend FREEDOM and LIBERTY, to deteriorate.
We became divided.
We became weak.
We elected TRAITORS to govern us.
We allowed EVIL to prey on us.
Those who claimed to represent us gave us false hope, made false promises.
The evil and corruption only grew.
————————————
This is more than party politics.
This is about restoring OLD GLORY.
This is about saving our land and our people from those who wish us harm.
This is about preserving our REPUBLIC.
This is about preserving our SAFETY.
This is about restoring our STRENGTH.
This is about LIFE, LIBERTY, and the PURSUIT OF HAPPINESS.
This is about PROTECTING our children.
THIS IS ABOUT SAVING AMERICA.
We are all God's children.
We are, FATHERS.
We are, MOTHERS.
We are, DAUGHTERS.
We are, SONS.
We are, BROTHERS.
We are, SISTERS.
We do not look at race.
We do not look at skin color.
We are UNITED in these STATES OF AMERICA.
We are, and will always be, PATRIOTS.
WE MUST RISE AGAIN.
WE MUST UNITE AGAIN.
WE MUST FIGHT AGAIN.
FOR GOD & COUNTRY —- PLEASE ANSWER THE CALL & VOTE.
GOD BLESS AMERICA.

There was a time when our children stood at attention, put their hand on their heart, and in one UNITED voice, recited the PLEDGE OF ALLEGIANCE.
There was a time when STRENGTH and HONOR meant something.
There was a time when standing for our FLAG meant something.
There was a time when our history (heritage) was taught with PRIDE and RESPECT.
There was a time when respect was given to those who serve(d), bled, and died to protect and defend our GOD GIVEN FREEDOM.
There was a time when we were GRATEFUL.
There was a time when these UNITED STATES OF AMERICA, ONE NATION UNDER GOD, was UNITED.
There was a time when these UNITED STATES OF AMERICA, ONE NATION UNDER GOD, was UNITED UNDER ONE FLAG.
There was a time when, WE, THE PEOPLE, decided our future.
There was a time when, WE, THE PEOPLE, had a voice.
There was a time when, WE, THE PEOPLE, were UNITED and STRONG.
I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.
"Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free."
"You and I have the courage to say to our enemies, "There is a price we will not pay." "There is a point beyond which they must not advance."
"We'll preserve for our children this, the last best hope of man on earth, or we'll sentence them to take the last step into a thousand years of darkness."
-Ronald Reagan
It is time, WE, THE PEOPLE, reclaim what is rightfully ours.
Will you answer the call?
Your Country needs you.
Your VOTE matters!

WE STAND TOGETHER.
"Be on your guard; stand firm in the faith; be courageous; be strong."

Patriots Fight!
"Finally, be strong in the Lord and in his mighty power. Put on the full armor of God so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints."
– Ephesians 6:10-18
"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. –That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, –That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security."

[D] Party Con:
When you can't raise money 'organically' through party (individual) donations (voter base) YOU STEAL IT from the American taxpayer and give it back to yourself in the form of campaign contributions.
[Example 1]
Planned Parenthood
https://www.gao.gov/products/GAO-18-204R
$1.5 billion provided in taxpayer funding over 3-year period.
[Case 1]
PP spent $30 million **[disclosed - real estimates close to $65 million]** in taxpayer subsidies to influence the outcome of the 2018 midterm elections.
[Conclusion]
Should it be legal for a taxpayer **[D+R+I]** funded organization to donate massive amounts of money to the D party in an effort to sway an election?

Ask yourself a very simple question.
Why is the FAKE NEWS media continually expending resources to defame, debunk, and cast as a conspiracy, for, as they say, a nobody who started on 4chan?
Why did the FAKE NEWS media attempt to cast blame of recent events on the 'Q' movement?
Was it an attempt to silence?

>We asked Coleman about these notes and he told us that, given their placement in his notebook, the notes would most likely represent information he was briefed on first thing in the morning by his subordinates in the +++Criminal Investigative Division+++.
>Comey told us that he did not recall the briefing by Coleman reflected in his calendar.
>We asked Comey if this briefing could have been the time in early October that he recalled being told about the connection between Midyear and the Weiner investigation. Comey stated:
"It's possible, possible this is what is knocking around in the back of my head, but I really, see I know the frailty of memory from having done a lot of this work, at least in my memory it's much more of an informal than a meeting about it, but it's possible."
>We showed Coleman's notes from October 4 to Comey. Comey did not recall being briefed on the information contained in the notes.

"Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free."
"You and I have the courage to say to our enemies, "There is a price we will not pay." "There is a point beyond which they must not advance."
"We'll preserve for our children this, the last best hope of man on earth, or we'll sentence them to take the last step into a thousand years of darkness."

https://www.bloomberg.com/news/features/2018-10-04/the-big-hack-how-china-used-a-tiny-chip-to-infiltrate-america-s-top-companies

"Elemental's servers could be found in Department of Defense data centers, the CIA's drone operations, and the onboard networks of Navy warships."

"Multiple people familiar with the matter say investigators found that the chips had been inserted at factories run by manufacturing subcontractors in China."

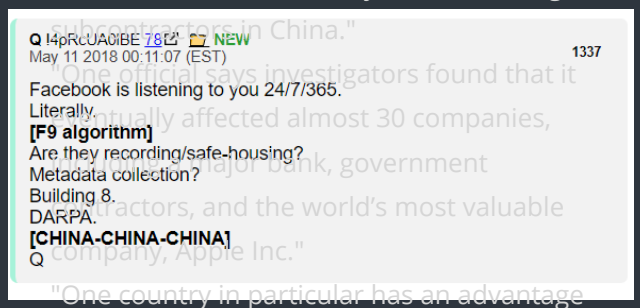

"One official says investigators found that it eventually affected almost 30 companies, including a major bank, government contractors, and the world's most valuable technology company, Apple Inc."

"One country in particular has an advantage executing this kind of attack: China, which by some estimates makes 75 percent of the world's mobile phones and 30 percent of its PCs."

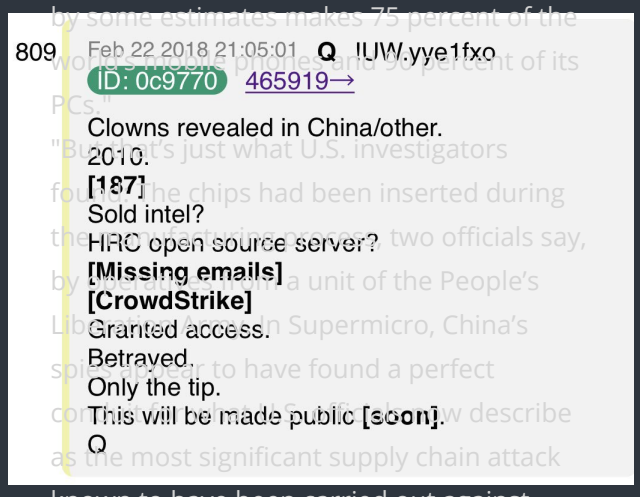

"But that's just what U.S. investigators found: the chips had been inserted during the manufacturing process, two officials say, by engineers from a unit of the People's Liberation Army. In Supermicro, China's spies appear to have found a perfect conduit. Officials now describe as the most significant supply chain attack known to have been carried out against American companies."

RE: FUSION GPS

Dear Mr. Taylor:

I write on behalf of Perkins Coie LLP as its General Counsel. We understand that your client, Fusion GPS, has received a number of requests for information regarding the identity of clients who engaged Fusion GPS to conduct research during the 2016 Presidential campaign. We further are aware that Fusion GPS is currently engaged in litigation in the United States District Court for the District of Columbia in an effort to prevent the compelled disclosure of its bank records which would reveal confidential client information.

We recognize the important principle of client confidentiality, and we appreciate your efforts to fulfill your obligation to maintain client confidentiality. In the circumstances, however, we believe it is appropriate to release Fusion GPS from this obligation as it relates to the identity of Perkins Coie. Further, given the interest in this issue, we believe it would be appropriate for all parties who hired Fusion GPS in connection with the 2016 presidential campaign to release Fusion GPS from this obligation as well. Finally, now that the appropriate client representatives have been informed of the specifics of our engagement with Fusion GPS, and with their consent, Perkins Coie therefore authorizes you to disclose the following:

-- Fusion GPS approached Perkins Coie in early March of 2016 and, aware that Perkins Coie represented the Democratic National Committee ("DNC") and HFACC, Inc. ("Hillary for America") with respect to the 2016 elections, expressed interest in an engagement with the Firm in connection with the 2016 presidential election to continue research regarding then-Presidential candidate Donald Trump, research that Fusion GPS had conducted for one or more other clients during the Republican primary contest.

No one knew just how bad the breach was — but it was clear that a lot more than a single filing cabinet worth of materials might have been taken. A secret committee was immediately created, including Ms. Dacey, Ms. Wasserman Schultz, Mr. Brown and Michael Sussmann, a former cybercrimes prosecutor at the Department of Justice who now works at Perkins Coie, the Washington law firm that handles D.N.C. political matters.

Did John Barlow survive a murder attempt only to succumb to its lingering effects eventually?

Washington Post:

Meet the man whose utopian vision for the Internet conquered, and then warped, Silicon Valley

By Jacob Silverman

"To understand where this cyber-libertarian ideology came from, you have to understand the influence of “A Declaration of the Independence of Cyberspace,” one of the strangest artifacts of the ’90s, and its singular author, John Perry Barlow. Perhaps more than any other, it’s his philosophy — which melded countercultural utopianism, a rancher’s skepticism toward government and a futurist’s faith in the virtual world — that shaped the industry.

“A Declaration of the Independence of Cyberspace” was an utterly serious document for a deliriously optimistic era

Barlow’s 846-word text, published online in February 1996, begins with a bold rebuke of traditional sovereign powers: “Governments of the Industrial World, you weary giants of flesh and steel, I come from Cyberspace, the new home of Mind. On behalf of the future, I ask you of the past to leave us alone. You are not welcome among us. You have no sovereignty where we gather.” He then explains how cyberspace is a place of ultimate freedom, where conventional laws don’t apply.

When Eric Schmidt describes the Internet, however misguidedly, as “the world’s largest ungoverned space” in his book “The New Digital Age,” he is borrowing Barlow’s rhetoric. When tech mogul Peter Thiel writes, in “The Education of a Libertarian,” that he founded PayPal to create a currency free from government control and that “by starting a new Internet business, an entrepreneur may create a new world,” it’s impossible not to hear **Barlovian** echoes. (That grandiose attitude is so common now that HBO has a comedy, “Silicon Valley,” dedicated to mocking it.)"
https://www.washingtonpost.com/opinions/how-one-mans-utopian-vision-for-the-internet-conquered-and-then-badly-warped-silicon-valley/2015/03/20/7dbe39f8-cdab-11e4-a2a7-9517a3a70506_story.html?utm_term=.fde41d884d00

The above article was published on March 20, 2015

Barlow suffered a near-fatal heart attack on May 27, 2015. He later reported that he was recovering.

187 = murder

Q suggests John Barlow was murdered for his ability to influence through his activities in the Freedom of the Press Foundation. The Washington Post article highlights Barlow's ability to influence wealthy technocapitalists towards his idealistic goals.

@Snowden
You are now a liability.

Freedom of the Press Foundation (FPF) is a non-profit organization founded in 2012 to fund and support free speech and freedom of the press.
Its mission includes "promoting and funding aggressive, public-interest journalism focused on exposing mismanagement, corruption, and law-breaking in government

If wealthy people support Barlow's idealistic goals then they might help support the Freedom of the Press Foundation's goals, "promoting and funding aggressive, public-interest journalism focused on exposing mismanagement, corruption, and law-breaking in government."

Edward Snowden has moved in to the position which was vacant due to Barlow's death. Q is stating Edward Snowden is identified as a liability by the same individuals who caused John Barlow's 187.

Other Unanswered Questions:

Whose crimes are threatened to be exposed by John Barlows activities?

Was John Barlow's relationship with Dick Cheney part of the motive that led to his death?

Was the heart related death of Barlow's girlfriend Cynthia Horner a botched first attempt to murder John Barlow?

John Barlow was engaged to Cynthia Horner, a doctor whom he met in 1993 at the Moscone Center in San Francisco while she was attending a psychiatry conference and Barlow was participating in a Steve Jobs comedy roast at a convention for the NeXT Computer. Cynthia Horner died unexpectedly in 1994 while asleep on a flight from Los Angeles to New York City, days before her 30th birthday, from a heart arrhythmia apparently caused by an undetected viral myocarditis.

Who adapted Jacob Silverman's book for the Washington Post article?

Jacob Silverman is the author of “Terms of Service: Social Media and the Price of Constant Connection,” from which this article is adapted.

Is the Washington Post article a HIT piece or coincidence?

Think timing.

"The succession question is actually a bit complicated. By default, under an obscure statute known as the the Vacancies Reform Act of 1998, Brand's temporary successor as the "acting" associate attorney general is her principal deputy, Jesse Panuccio. That same statute would also allow the president to choose someone else to serve as the "acting" AAG on a temporary basis for up to 210 days; the pool of individuals from which the president could draw in this case includes individuals already holding Senate-confirmed positions elsewhere in the executive branch (like EPA administrator Scott Pruitt) or senior civil service lawyers in the Justice Department, specifically."

Schumer's Warning
Senate Democratic Leader Chuck Schumer quickly warned Trump against seizing on the report as a reason to dismiss Rosenstein.
"This story must not be used as a pretext for the corrupt purpose of firing Deputy Attorney General Rosenstein in order install an official who will allow the president to interfere with the Special Counsel's investigation," Schumer said in a statement. He added that many "White House and cabinet officials have been reported to say critical things of the president without being fired."

James Baker testifying against Comey?
Q

13:35 (transcript)
Joe DiGenova
"As I've been saying for two years, there's been a brazen plot to illegally exonerate Hillary Clinton in the email case and then if she had lost, to frame Donald Trump. And that is exactly what these texts are about. Whether or not Mr. Strzok and Lisa Page and others are indicted is certainly a question people can debate, but let me just say I know there is a grand jury underway, testimony is being taken about Strzok, Page, McCabe and others involved in this case and the reason we know it is that James Baker, the former general counsel of the FBI, as turned State's evidence is fully cooperating with the Inspector General and with the Federal Grand Jury. I can assure you, Mr. Comey has been very silent in recent weeks and the reason is very simple: he knows he's going to be indicted."

CHAIRMAN OF THE COUNCIL OF THE INSPECTOR GENERALS ON INTEGRITY AND EFFICIENCY?
"Since 2015, he has simultaneously served as the Chair of the Council of the Inspectors General on Integrity and Efficiency (CIGIE), an organization comprised of all 73 federal Inspectors General."
Think yesterday.
What was learned?
Robert Storch confirmed NSA IG?

First presidentially-appointed IG for NSA?
Dept of "Justice" **[background]** important?
Federal prosecutor in N. District of NY **[background]** important?
CHAIRMAN OF THE COUNCIL OF THE INSPECTOR GENERALS ON INTEGRITY AND EFFICIENCY **[BACKGROUND]** IMPORTANT?
"Prior to joining NSA, Mr. Storch served in several positions at the Department of Justice's OIG, including as Senior Counsel to the IG and Acting Deputy IG prior to his 2015 appointment as Deputy IG. He also served as chairman of the Council of the Inspectors General on Integrity and Efficiency (CIGIE) Whistleblower Ombudsman Working Group. The Whistleblower Ombudsperson program he helped establish is widely seen as a leader in the field."
"Earlier in his career, Mr. Storch also worked as a federal prosecutor in the Northern District of New York, most recently serving as the Deputy Criminal Chief and Counsel to the U.S. Attorney. He was also posted overseas for two years as a Department of Justice Resident Legal Advisor in Ukraine."

VEHICLE FOR CROSS-SHARING OF DEPT-TO-DEPT INFO RE: INSPECTOR GENERALS?
COUNCIL OF INSPECTORS GENERAL ON INTEGRITY AND EFFICIENCY?
https://www.ignet.gov
"The CIGIE is comprised of all Inspectors General whose offices are established under section 2 or section 8G of the Inspector General Act of 1978 (5 U.S.C. App.), those that are Presidentially-appointed/Senate Confirmed and those that are appointed by agency heads (designated federal entities)."
http://legcounsel.house.gov/Comps/Inspector%20General%20Act%20Of%201978.pdf
How might this benefit 'possible' ongoing investigations across inter-intra federal agencies?

NSA been pushed since the beginning?
Logical thinking.
The "Experts"
But... SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP
But... SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP **[team of less than 20 typically]** & wait 2-4 years **[take a gamble]**
But... SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP because unlike the CLINTON EMAIL CORRUPT CASE **[as demonstrated by the FBI/DOJ people FIRED/REMOVED]** this will be conducted faithfully and honestly **[like MUELLER]**
But... HUBER has not 'directly' interviewed several witnesses therefore the appointment of HUBER by SESSIONS **[and therefore the IG]** is not genuine
But... SESSIONS & HUBER are following standard DOJ open/ongoing investigation policy by not discussing **[making public]** so therefore nothing must be happening **[FIRE SESSIONS!]**
But... HUBER **[ability to prosecute + empanel a grand jury outside of DC [90%+ voted HRC (2016)]**, who already began the investigation(s) late last year w/ assigned team of 470 investigators (attorneys) + IG + legal jurisdiction across all 50 states, is not a 'special counsel' so therefore nothing is being done
But... POTUS is attacking SESSIONS via TWITTER so therefore he is not working on behalf of the people's interest (or POTUS') **[D's/LEFT LOVE/TRUST SESSIONS!]**
But... interestingly, if nothing is being done behind the scenes, why are so many FBI & DOJ senior officials being FIRED and/or REMOVED from their respective positions of power? Who is AG? Who must sign off on each removal? DOJ in charge of FBI?
But... interestingly, if nothing is being done behind the scenes, why are there 50,000+ sealed indictments across the US **[what % = USA v. X?]**? Coincidence vs. HUBER start?
But... interestingly, if nothing is being done behind the scenes, why are many 'powerful' CEOs, members of Congress/ Senate, resigning? Coincidence? Example: Pre_POTUS did the SPEAKER OF THE HOUSE indicate wanting to leave

politics?
But... interestingly, if nothing is being done behind the scenes, why are human trafficking arrests SURGING?

There was a time when we were GRATEFUL.
There was a time when these UNITED STATES OF AMERICA, ONE NATION UNDER GOD, was UNITED.

"The succession question is actually a bit complicated. By default, under an obscure statute known as the the Vacancies Reform Act of 1998, Brand's temporary successor as the "acting" associate attorney general is her principal deputy, Jesse Panuccio. That same statute would also allow the president to choose someone else to serve as the "acting" AAG on a temporary basis for up to 210 days; the pool of individuals from which the president could draw in this case includes individuals already holding Senate-confirmed positions elsewhere in the executive branch (like EPA administrator Scott Pruitt) or senior civil service lawyers in the Justice Department, specifically."

I never thought I'd want Jeff Sessions to stay on as Attorney General but at this point it's the only way to guarantee that Mueller and Rosenstein won't be messed with.

That's how low we are right now....

But... SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP

But… SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP **[team of less than 20 typically]** & wait 2-4 years **[take a gamble]**
But… SESSIONS should appoint a 2nd SC in DC aka THE CORRUPT SWAMP because unlike the CLINTON EMAIL CORRUPT CASE **[as demonstrated by the FBI/DOJ people FIRED/REMOVED]** this will be conducted faithfully and honestly **[like MUELLER]**
But… HUBER has not 'directly' interviewed several witnesses therefore the appointment of HUBER by SESSIONS **[and therefore the IG]** is not genuine
But… SESSIONS & HUBER are following standard DOJ open/ongoing investigation policy by not discussing **[making public]** so therefore nothing must be happening **[FIRE SESSIONS!]**
But… HUBER **[ability to prosecute + empanel a grand jury outside of DC [90%+ voted HRC (2016)]**, who already began the investigation(s) late last year w/ assigned team of 470 investigators (attorneys) + IG + legal jurisdiction across all 50 states, is not a 'special counsel' so therefore nothing is being done
But… POTUS is attacking SESSIONS via TWITTER so therefore he is not working on behalf of the people's interest (or POTUS') **[D's/LEFT LOVE/TRUST SESSIONS!]**
But… interestingly, if nothing is being done behind the scenes, why are so many FBI & DOJ senior officials being FIRED and/or REMOVED from their respective positions of power? Who is AG? Who must sign off on each removal? DOJ in charge of FBI?
But… interestingly, if nothing is being done behind the scenes, why are there 50,000+ sealed indictments across the US **[what % = USA v. X?]**? Coincidence vs. HUBER start?
But… interestingly, if nothing is being done behind the scenes, why are many 'powerful' CEOs, members of Congress/ Senate, resigning? Coincidence? Example: Pre_POTUS did the SPEAKER OF THE HOUSE indicate wanting to leave politics?
But… interestingly, if nothing is being done behind the scenes, why are human trafficking arrests SURGING?

https://www.whitehouse.gov/presidential-actions/presidential-proclamation-national-preparedness-month-2018/
National Preparedness Month is a time to focus our attention on the importance of preparing our families, homes, businesses, and communities for disasters that threaten our lives, property, and homeland. During this time, we also honor the brave men and women who selflessly respond to crises and disasters, rendering aid to those in need. These first responders, who work tirelessly to safeguard our Nation and protect our citizens, deserve our utmost gratitude and appreciation.

Over the past year, communities nationwide and across the Territories have witnessed and endured damage from multiple hurricanes, wildfires, tornadoes, floods, volcanic eruptions, and other natural disasters. The historic hurricane season of 2017 included three catastrophic storms that made landfall within a month, and was followed by a destructive series of wildfires in California. Combined, these natural disasters affected 47 million people and tens of thousands were mobilized to provide aid, comfort, and assistance. We are also especially mindful of those currently affected by ongoing wildfires in California, Oregon, and Colorado. In spite of tremendous challenges, the resilience of the American people continues to prevail.

Tragedies are somber reminders that preparedness is a shared responsibility and that it is critical to maintain readiness. All Americans can prepare for potential disasters by developing and practicing a family emergency response plan, assembling a disaster supply kit, signing up for alerts on mobile devices, setting aside emergency savings, and maintaining adequate insurance policies for their homes and businesses. The Federal Emergency Management Agency's Ready Campaign outlines other important steps to best prepare for a major disaster.

This month, I encourage all Americans to take the opportunity to ensure they have an emergency response plan in place and ready to be properly executed. Emergencies and disasters test the resilience and strength of families, communities, and our Nation. It is impossible to avoid every challenge and threat, but we can and must prepare for them. By doing so, we can help protect our communities and save lives.

NOW, THEREFORE, I, DONALD J. TRUMP, President of the United States of America, by virtue of the authority vested in me by the Constitution and the laws of the United States, do hereby proclaim September 2018 as National Preparedness Month. I encourage all Americans, including Federal, State, and local officials, to take action to be prepared for

disaster or emergency by making and practicing their emergency response plans. Each step we take to become better prepared makes a real difference in how our families and communities will respond and persevere when faced with the unexpected.

IN WITNESS WHEREOF, I have hereunto set my hand this thirty-first day of August, in the year of our Lord two thousand eighteen, and of the Independence of the United States of America the two hundred and forty-third.

DONALD J. TRUMP

> Madam 'Alice',
> Not surprising that media going crazy with those elections and pointing to uncertainties instead of opportunities. Back to the basic of 'common sense'. Goal is peace. Whichever competing / aspiring leader over there forgets that will lose the support of the people....especially with a 2 year election cycle. Both sides tired of dying. You picked a heck of a time to be Secretary of State :-) I still think higher office awaits you.

All the best in what you're doing all over the planet.

Emotions cloud judgement.
Why is 'Huber' being discussed now?
What if the TX Congressman was not supposed to drop that name?
Why is 'Huber' being discussed now?
Why is 'Huber' (all of a sudden) being grouped into the 'Anti-Sessions' remove, fire, ...nothing being done?
Discussed by Right or Left?
Huber did not 'directly' interview....**[insert name]**?
Huber did not.....
Huber did not.....
Sessions did not.....
Sessions did not.....
When will Sessions.....
When will Sessions.....
Who does Huber work with specifically?
Who investigates?
Who prosecutes?
Team of 470?
Will BO transcripts be released?
Huber + IG + 470?
Inside or outside of the DC **[SWAMP]**?
How many members of Congress not seeking re-election?
SPEAKER OF THE HOUSE not seeking re-election?
How many Senators have resigned or not seeking another term?
How many (senior) FBI have been removed?
How many (senior) DOJ have been removed?
Nothing to See Here.
But....
We should 'attack' them 'head on'....in DC....using a 2nd SC....
Emotion clouds judgement.

Do you believe actual 'polls' were conducted?
Pre-election polls: HRC favored 90-98%?
Reconcile against results.
Why is there emphasis put on polls?
Define 'Human Nature'.
: the general psychological characteristics, feelings, and behavioral traits of humankind, regarded as shared by all humans?
[Point 1 - FAKE NEWS LOGIC]
If people believe the odds are hopeless their candidate will win...
Do they still make the effort to vote?
[Point 2]
If people believe the odds are overwhelming their candidate will win....
Do they still make the effort to vote?
Does 1 cancel 2?
[Point 3 - FAKE NEWS LOGIC]
If people believe the 'majority' of people feel a certain way about something....
Do they 'go with the majority' to feel accepted?
If the 'majority' of people believe something does that imply it must be RIGHT?
Does this give rise to 'we are the majority' mindset?
Define 'Echo Chamber'.
: a metaphorical description of a situation in which beliefs are amplified or reinforced by communication and repetition inside a closed system?
Prior to new platforms **[networks]** connecting people....
Did the OLD GUARD have FULL CONTROL?
Did the OLD GUARD 'learn' from this mistake (2016 election) and now tasking all new platforms **[networks]** to censor?
When you are awake you can see CLEARLY.

2nd Snowden.
The US Department of Justice may charge a former NSA contractor with espionage after discovering top secret documents and enough highly sensitive data to fill 10,000 DVDs at his home in Maryland.
Retired US Navy officer Harold Thomas Martin III, 51, has been dubbed 'the second Snowden' by the press. He worked for Booz Allen Hamilton, the same firm that employed the famous whistleblower who revealed global surveillance programs run by the US.

I'd bet good money that they do.

Every. Single. One. And we all know you don't waste money on a "poll" unless it supports you claim.

Special Prosecutor Tapped by Sessions to Investigate FISA Abuses HAS NOT Interviewed Bruce Ohr

In March, Attorney General Jeff Sessions announced he would not be appointing a second special counsel to investigate crimes committed by Obama's FBI and DOJ.

Rather, AG Sessions revealed U.S. Attorney John Huber will be the 'top federal prosecutor' who will be investigating FISA abuses.

U.S. Attorney John Huber was first appointed to his position by Barack Obama in 2015.

Five months into John Huber's FISA abuse investigation and he still has not interviewed twice-demoted DOJ official Bruce Ohr.

Ohr is a key player in the FISA abuse scandal, so why hasn't he been interviewed by Huber or Mueller??

Bruce Ohr was acting as a backchannel for dossier author Christopher Steele after the FBI terminated him in November of 2016 for breaking protocol by leaking to the media.

"More of a reason to wonder how effective a US Attorney **[John Huber]** can be cleaning up corruption in Washington when he's based in Salt Lake City," investigative reporter, Paul Sperry said.

Investigative reporter John Solomon also revealed Tuesday that Robert Mueller hasn't interviewed Bruce Ohr either.

Bruce Ohr arrived at Capitol Hill Tuesday morning for a closed-door grilling from House Oversight and House Judiciary

members over his contacts with dossier author Christopher Steele.

GOP lawmakers said Tuesday afternoon that Bruce Ohr was being cooperative and answering questions at the closed-door deposition.

Bruce Ohr, former FBI lawyer Lisa Page and Fusion GPS co-founder Glenn Simpson may be called back to testify together to iron out the discrepancies in their testimonies.

What exactly is Mueller and Huber doing if they are not questioning key players like Bruce Ohr??

Mueller's investigation into Russian "collusion" appears to be designed not to protect the country but to protect his former FBI/DOJ regime and their political espionage crimes, says Sperry.

If the FAKE Steele Dossier constituted the 'bulk' of the 'facts submitted' to FISC to obtain FISA warrant(s) against POTUS....
Dossier dismissed as FAKE/BASELESS.
If Mueller was appointed as SC based on the Dossier - and the Dossier was proven to be FAKE/DISINFORMATION - and the Dossier was proven to be the 'bulk' of the information submitted to FISC in order to obtain the warrants (+FISA signers 'pre-mediated' neglect to disclose the actual FACTS (lied to)) - then how is Mueller still SC?
BO never called to testify re: Mueller?
Mueller investigating 'Russian Collusion'?
Why would Mueller not contact BO?
BO was the 'BACKCHANNEL' between FBI/DOJ & STEELE.
Why wouldn't Mueller seek testimony?
Mueller: Impeach POTUS operation?
If impeachment is the goal via retake House (midterms), does it still not require a 2/3 vote in the Senate?
What will the **[20]** FISA 4th warrant disclose?
Trust the Plan.

Maybe worn 2 times.. *>>MILAGROS are small metal religious charms found in many areas of Latin America, especially Guatemala & Mexico. The word “Milagro” means “miracle”or Offering(Exvotos). These small charms, often depicting arms, legs, praying people, farm animals and a wide range of other subjects are typically nailed or pinned to crosses or wooden statues of various saints like the Virgin Mary or Christ, sacred objects, pinned on the clothing of saint statues, or hung with little red ribbons or threads from altars and shrines. They are also carried for protection and good luck and thanks to Saints and Their animals. The 1848 repro Coin pendant is of José Rafael Carrera Turcios was the president of Guatemala from 1844 to 1848 and from 1851 until his death in 1865, after being appointed President for Life in 1854.

"For now we see only a reflection as in a mirror; then we shall see face to face. Now I know in part; then I shall know fully, even as I am fully known."
– Corinthians 13:4-13

"Finally, be strong in the Lord and in his mighty power. Put on the full armor of God so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints."
– Ephesians 6:10-18

"This is far from a 'vigilante group'; leading the team is ex-Department of Homeland Security special agent Tim Ballard, perhaps America's foremost human trafficking expert. "The problem in Haiti is an international crisis," Ballard explains. "With so many children displaced or orphaned during the recent earthquake and hurricane, recruiters moved quickly to sweep these children up. And the worst part of it all is that in many cases the clients are the foreigners who've come here to help, the NGO workers and the so-called humanitarians."

FAKE NEWS = ENEMY OF THE PEOPLE.
If all directions of the echo chamber **[MSM]** state the same thing - even if FICTION/FALSE - do most people then consider it TRUE (factual)?
Direct communication is CRITICAL.
Who controls the FAKE NEWS?
Why is ANTIFA allowed to incite violence, wear masks, make threats, use/carry weapons, and physically harm others who oppose their ideology?
Why does ANTIFA attempt to 'justify' such violence by labeling the 'challenger' as ALT-RIGHT or NAZI?
Why doesn't the LEFT condone such acts of violence and call for an immediate end?
Define 'Projection'.
Define 'Insurance Policy'.
Define 'Warning Against Attempts to Unveil'.

Does such violence (extremism) justify NG deployment in the future ahead of 'planned' public releases?

Ask yourself, if the U.S. GDP is greater than the total of all others combined (G7), which allows us to negotiate from a position of strength, why would previous President's 'knowingly' **[unequally]** distribute America's wealth away by making unbalanced trade deals?
Why was America's wealth being distributed WW?
Why was the American taxpayer essentially subsidizing the the rest of the world?
The AMERICAN TAXPAYER has no equal anywhere in the world.
ACCESS to the AMERICAN CONSUMER (U.S. Market) is ESSENTIAL for every major country in the world.

Psychological Projection.
Define Conspiracy.
1. a secret plan by a group to do something unlawful or harmful.
"a conspiracy to destroy the government"
2. the action of plotting or conspiring.
"they were cleared of conspiracy to pervert the course of justice"
[Fake News]
Fake News collaborating and pushing knowingly false information?
Fake News 'KNOWINGLY FALSE' narrative pushes.
1. POTUS colluded w/ Russia to win the 2016 Presidential election
2. POTUS is puppet to PUTIN
3. POTUS to irreparably harm relationships w/ our allies
4. POTUS will collapse U.S. economy
5. POTUS will collapse stock market
6. POTUS will cause war w/ NK
7. POTUS will cause war w/ IRAN
8. POTUS will destroy the world.
9. On and on.....(knowingly false)
FEAR & SCARE PUSH.
They would rather see NK peace negotiations fail (WAR!) than see POTUS resolve.
Scandalous Media Bias?
Conspiracy?
Collaboration?
What are they hiding?
FAKE NEWS MEDIA IS NOT FREE AND INDEPENDENT.
FAKE NEWS MEDIA = PROPAGANDA ARM OF THE DEMOCRATIC PARTY.
Think WL list of journalists who colluded w/ HRC/DNC (2016 Pres election).
They want you DIVIDED.
DIVIDED by RACE.
DIVIDED by RELIGION.
DIVIDED by CULTURE.
DIVIDED by CLASS.
DIVIDED by POLITICAL AFFILIATION.
DIVIDED YOU ARE WEAK.
TOGETHER YOU ARE STRONG.
YOU, THE PEOPLE, HAVE THE POWER.
This movement challenges their 'forced' narrative.
This movement challenges people to not simply trust what is being reported.
Research for yourself.
Think for yourself.
Trust yourself.
This movement is not about one person or a group of people.
WE, THE PEOPLE.
You are witnessing a FULL PANIC ATTACK by the FAKE NEWS MEDIA & COVERT ALT MEDIA AFFILIATES (foreign gov't).
They cannot contain or defeat what they do not understand.
Is any of this normal?
Think sealed indictments count.

Think resignations of CEOs

Think resignations of Senators.
Think resignations of Congress.

THIS! This is what I was getting at about a dozen breads ago! The clowns snookered the FBI (with willing complicity by bad actors at the FBI) into believing the Russian

narrative, and by using their Vault 7 tools to leave enough "Russian" fingerprints to point the finger . . . because the FBI didn't "officially" know about the Vault 7 capabilities! Too much to ask for a confirmation on this theory, but if you can help a brotha out, Q . . .

PS "Texts taken out of context"
PS "While emotional over the election, I conduct myself w/ upmost integrity w/o bias while undertaking any such investigation, especially a high-profile case against the POTUS."
PS "In hindsight, it was a bad idea to openly discuss my feelings, but, in no way did those feelings impact my ability to conduct a fair and proper investigation - we followed where the "facts" took us."
PS "I decline to answer that question on advice from counsel."
: When you state "where 'facts' led us" - what 'facts' are you referring to? To date, there has been zero evidence of any such collusion or connections between the Trump campaign and Russia." In fact, the only facts discovered thus far have been between the Clinton camp and Russia and other foreign groups...."
PS "On advice of counsel, I decline to answer that question"
PS "Because of the ongoing investigation, such answers may violate the security of such investigations....."
: "Mr S, I believe nobody here is buying what you are selling. I believe there was/is a serious effort on the part of people more senior than you to remove Mr Trump from office out of fear of what this Administration may uncover. I believe you are being dishonest in your answers and frankly shocked you agreed to come here today. I believe everyone on this panel (minus those from the other side of the aisle) knew exactly what your answers would be and if you think we are going to sit here and accept these answers you would be a foolish. We are also following the facts and once we uncover more (which we will) we will act accordingly. I'm glad you retained counsel - you'll need one and hopefully they are very good."

What was the point of filing impeachment art if Ryan was going to reject?
Known beforehand?
Optics.
Think logically.
Could Sessions publicly challenge **[RR]** w/o creating a dilemma?
What events would immediately transpire if Sessions challenged **[RR]**?
Would it immediately demonstrate that Sessions must be aware of key Mueller facts?
Facts (or failure of duty) that he cannot possibly 'know' if recused?
Facts (a case) he is suppose to be recused from?
Think logically.
One challenge to **[RR]** would immediately trigger attacks to remove Sessions given his clear involvement in receiving information re: a case he is fully recused from.
Who does Huber **[directly]** report to?
Is it normal **[RR]** is side-stepped re: Huber CoC?
Why is this important?
Why did Sessions recuse?
Is the LEFT attacking Sessions?
What advantage(s) exist based on this setup?
POTUS publicly expresses his anger re: his recusal?
Do you believe POTUS would allow a complete takeover of his DOJ if nothing was being done behind the scenes to hold people accountable?
When POTUS states "the swamp is being drained" do you believe it?
When POTUS states "it's happening" do you believe it?
Do you believe POTUS would allow Sessions & **[RR]** to run HIS DOJ if something wasn't being done to his liking?

Governments are instituted among Men, deriving their just powers from the consent of the governed, –That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security."

Qanon: The Path To Dictatorship
by Brock Dorsey on June 28, 2018

Virtually everyone following politics has heard of the #Qanon story. Religiously followed by a growing mass of disciples and vehemently assaulted by a variety of left wing propagandists ranging from Vice to Newsweek, the validity of its claims have sparked a uniquely passionate debate on both sides. The ones championing its teaching as unquestionable truth range from imageboard dwelling millennials to a considerable number of boomers. Be it truly the broadcast of insider intel or merely the flagship conspiracy of our time, it's certainly an exciting read that provides quality entertainment for the end times.

But those faithfully trusting in Q to lead the overthrow of the evil "deep state cabal" and restore American democracy to the people may be missing a much darker purpose for the Qanon posts. Used as a highly efficient propaganda tool, Q's drops

may actually be aiding an attempt to dismantle the judiciary altogether. Should it succeed in pushing this distrust across the public through the oft-cited “Great Awakening, this narrative may actually serve to weaponize Americans into removing the only barrier left to toppling democracy and clearing the way for an Emperor to ascend to the throne. That is, of course, assuming that a coup d’etat has not already taken place.
The basic theme to the Qanon 8chan posts are that Trump and Sessions are frantically working behind the scenes to bring down what we all now know to be a very real and very corrupt deep state shadow government. The antagonists — corrupt intelligence agency officials,

congressmen, and news media plants — did not expect Trump to win and therefore are in “panic mode” over a number of crimes committed over the last eight to twenty years. These crimes allegedly range from what we’ve seen already (election rigging, dark money, bribes take by elected officials and intelligence agencies) to the far-fetched (mass sex trafficking and pedophilia among elected officials). Some predictions have failed (Hillary Clinton being arrested in October 2017) while others have been eerily prophetic (the pope’s bizarre suggestion of changing the Lord’s prayer).

Perhaps the most compelling narrative is Q’s assertion that high level crime and corruption has been committed within Obama’s Department of Justice and heads of the intelligence agencies, going up to his Chief of Staff Loretta Lynch. Q compares the systematic dismantling of these “bad actors” to defusing a bomb: the right wires must be cut to disable the mechanism without detonating the entire thing. In this case, the “explosion” of an inadvertent detonation would be the complete collapse of the entire Judicial Branch of America. Q warns that if such an event could occur, all court rulings throughout this period of time could be rendered null and void, and ultimately be challenged according to our current legal channels.

But what if this is the actual plan?

House passes measure demanding DOJ documents
In a 226-183 vote, lawmakers approved the messaging measure, which calls on the DOJ to turn over all of the documents House Republicans have requested related to the FBI's handling of investigations during the 2016 presidential election.

The party-line vote, with one Republican voting present, puts the entire conference on the record in the escalating feud between the DOJ and House Republicans, who have been fighting for months for access to a trove of highly-sensitive documents.

My dear Mr. President,

This letter is a respectful and formal notification of my decision, effective July 31 of this year, to end my regular active status as an Associate Justice of the Supreme Court, while continuing to serve in a senior status, as provided in 28 U.S.C. § 371(b).

For a member of the legal profession it is the highest of honors to serve on this Court. Please permit me by this letter to express my profound gratitude for having had the privilege to seek in each case how best to know, interpret, and defend the Constitution and the laws that must always conform to its mandates and promises.

Respectfully and sincerely,

Attempts to frame Russia / POTUS (optics) are failing and will soon be exposed.
[Objective] to keep POTUS away from PUTIN failed.

Bolton + PUTIN should scare you.
Enemies are allies.
EVIL has no place here.
America is no longer for sale.
The age of taxing our citizens across the World while entry to our markets is FREE is OVER.
The WORLD will UNITE in this cause (G v E/R v W).
Forced immigration pushers will be exposed (the 'why').
Read the BIBLE.
GOD WINS.

How can you obtain Text A & C but somehow the most incriminating (Text B) is lost due to a glitch (recovered later only after classified intel methods applied).
This is the level of corruption we are dealing with.

"Attorney General Jeff Sessions has also said U.S. Attorney John Huber is investigating claims of FBI and DOJ misconduct related to these actions, noting that Huber would be "conducting his work from outside the Washington D.C. area and "in cooperation" with Horowitz."
http://www.foxnews.com/politics/2018/06/15/ig-2-0-could-be-even-worse-for-fbi-as-feds-brace-for-trump-spying-probe.html
"This is not the end of the process. United States Attorney John Huber continues his work in cooperation with the Inspector General to review certain prosecutorial and investigative determinations made by the Department in 2016 and 2017," Sessions said. He has reviewed this report and, based on its findings and his own investigation, will provide recommendations as to whether any matter not currently under investigation should be opened, whether any matters currently under investigation require further resources, or whether any matters merit the appointment of Special Counsel."

SC = restart w/ significantly less staff = stupid
(Reddit Summary)
-Professor Turley is a very respected liberal law professor and longtime civil libertarian. Has been critical of both parties over the years.
-Turley says the use of John Huber gives the IG the prosecutor he needs to bring charges and seek indictments. (No need to go through RR which is critical)
-Huber is conducting a full-fledged criminal investigation into all the matters Republicans are calling for a special counsel to investigate.
-Huber has been investigating these possible crimes for five months (Now seven), since November 2017.
-By giving the IG a prosecutor they can now go after the deep state without looking like a political witch hunt. This is critical.
-Sessions informed Congress in his letter that all the matters recommended for investigation by Goodlatte, Gowdy, and Grassley are "fully within the scope of **[Huber's]** existing mandate." He also informed the chairmen that Inspector General Michael Horowitz, who is working with Huber, has a staff of 470 investigators, giving Huber access to enormous investigative firepower that far exceeds the staff of any special counsel. (Who needs a SC with that type of manpower?)

-The inspector general's jurisdiction to conduct civil and criminal investigations includes "actions taken by former employees after they have left government service." Then Huber can act on any of those matters.
-This is HUGE A Grand Jury can be empaneled anywhere, in any deep red state, away from D.C. (This is very important and why Trump needed to appoint as many Judges as possible)
-Huber and Horowitz can accomplish everything a SC can do.
-If Sessions feels that charges should have been made that weren't, he can still appoint a SC to make that happen.
-Huber is a lawyer from deep red Utah, not the D.C. swamp.
-"If a special counsel were appointed, there would be a great deal of delay," Turley stated, versus the team of Huber and Horowitz, who are already five months into this investigation. (It's too late to even appoint a SC. Charges can be filed before midterms.)
-From /u/ClardicFug - Huber and Horowitz were both appointed to their positions by the Obama administration. This helps optics a lot. Pretty much decimates the "Trumped rigged the investigation" argument that's sure to be made.

Q !CbboFOtcZs No. 108

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.–That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, –That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security."

Just a reply to Q from last thread about Ingraham interview; It was an awful interview. Once again, weak, ineffectual, limp wristed promises to hold a vote, to hold Rosenstein in contempt. Who. Cares?

Until Rosenstein is hauled off by the House Sergeant At Arms, as granted per the Supreme Court, it means NOTHING. Anyone remember Holder? Nothing happened to him. Nothing. This pisses me off to no end. Just close the fist and crush them already. What the hell is Trump waiting for?!

North Korean leader Kim Jong Un visiting several Singapore attractions on Monday night

SINGAPORE - North Korean leader Kim Jong Un is spending his second night in Singapore on a mini tour that includes some of the Republic's best-known sights such as Gardens by the Bay and the Marina Bay Sands (MBS) integrated resorts.

At around 9.10pm on Monday (June 11), his motorcade was seen leaving the St Regis Hotel in the Tanglin area where his delegation is being housed at, before driving past the Raffles City area towards Marina Bay.

Mr Kim, who arrived in Singapore on Sunday ahead of his historic summit with United States President Donald Trump in Sentosa on Tuesday, stopped by Gardens by the Bay first and is expected to also visit the MBS SkyPark or the nearby Merlion Park.

At around 8pm, the observation deck of the 57th-storey sky park at the MBS, which offers panoramic views of Marina Bay and the central business district, was closed off to the public, ahead of its usual 10pm timing.

MBS staff were seen polishing fingerprints off the glass panels of the observation deck.

The Straits Times also saw a heavy security presence comprising MBS personnel and police officers.

Mr Kim, who is North Korea's Chairman of the State Affairs Commission, may also visit other sights such as the Esplanade performing arts centre.

The mini-city tour will cap a rather quiet public schedule for Mr Kim on Monday, compared to his officials and Mr Trump.

Apart from a meeting with Singapore's Prime Minister Lee Hsien Loong at the Istana on Sunday evening, Mr Kim has not been seen stepping out of the St Regis hotel in Orchard Road where he and his delegation are being housed at.

In contrast, Mr Kim's officials were seen earlier on Monday meeting with Singapore and American officials - making courtesy calls or engaging in last-minute talks over the one-day summit.

Mr Trump met PM Lee and also members of the American community in Singapore.

Excerpt of:
Letter from Senator Ron Johnson to FBI Director Wray.

- ***January 8, 2017, 12:08 p.m.*** Then-FBI Deputy Director Andrew McCabe sent an email to senior FBI leadership with the subject line "Flood is coming." Mr. McCabe wrote, "CNN is close to going forward with the *sensitive story*. . . . The trigger for them [CNN] is they know the material was discussed in the brief and presented in an attachment."[8]
- ***January 8, 2017, 12:55 p.m.*** Mr. McCabe emailed then-Deputy Attorney General Sally Yates and then-Principal Deputy Attorney General Matthew Axelrod with the subject line "News."[9] Mr. McCabe wrote, "Just an FYI, and as expected, it seems CNN is close to running a story about the *sensitive reporting*."[10]

RAPID FIRE = a movie by that name involving a corrupt FBI
'Flood is coming' = FBI deputy director Andrew McCabe sent an email with the subject line "Flood is coming" Indicating CNN is going to run a sensitive story
[CNN] = CNN is targeted but then so is McCabe for classified information to them.

"Finally, be strong in the Lord and in his mighty power. Put on the full armor of God so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints."

We cannot link directly because access to these files in PACER is granted only to PACER account holders, i.e., to legal professionals like myself.

I HAVE AN IDEA FOR PACER ACCOUNT HOLDERS: LET'S START DOING RANDOM SEARCHES USING ONLY THE PHRASE "UNSEALING ORDER" FOR 2018.

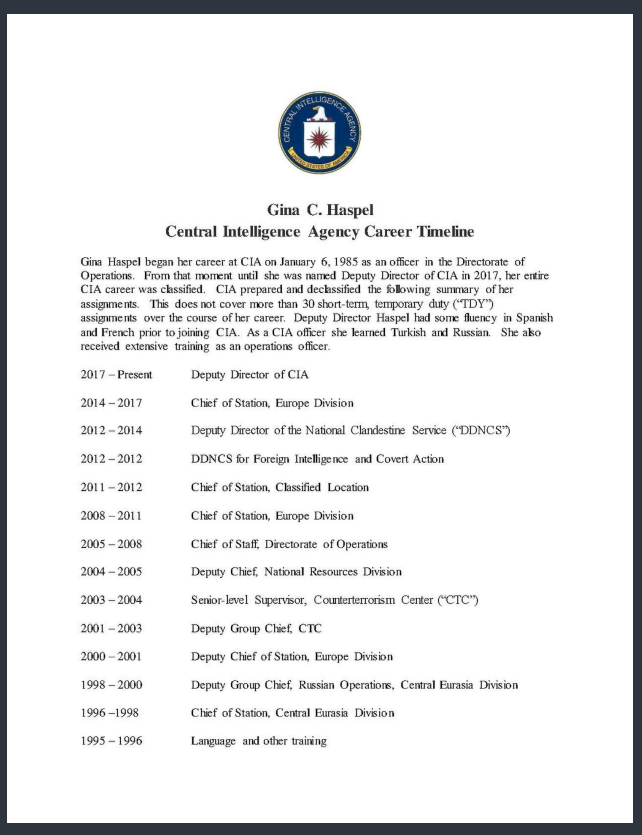

This search will pull up any and all unsealed indictments in any given federal court in which we do that search.

"That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn that mankind are more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards

If SESSIONS & WRAY are DC SWAMP/DEEP STATE why are they cleaning their respective houses?
Use LOGIC.
Why are they slow walking unredacted data?
Why are they slow walking doc disclosures?
Why is the WH backing up DOJ?
What if the same data is being used by other investigators?
What does it mean if a grand jury is impanelled?
Why are confusing questions asked as to outcome re: Mueller?
What would be the purpose of creating confusion?

If RR is dirty, Mueller must also be dirty.

Why did Sessions pick RR?
Everyone has an opinion.
Few have the facts.

"Thousands of people are on the streets, cheering and hugging each other, jumping up and down and honking their horns ... things happened so quickly, I don't think the crowd was expecting this but it is exactly what they wanted," Forestier-Walker said.

"We saw soldiers take to the streets, we saw priests, children and their parents, young and old coming out to show Armenia was really united in wanting these changes."

"This is an indication of how much people in Armenia have realised that they had the power to affect change in a system that was widely regarded as corrupt."

Anons,

I'm struggling with something for the future. While we should never have gotten to the point where we need Q and POTUA to drain the swamp for us, we nevertheless did. Fine. I trust the plan with a faith that I thought I'd lost. I think that the victory of good over evil is a foregone conclusion for our Republic based on what we are witnessing. Bad actors, evil, corrupt, venal psychopaths eliminated from positions of power. Fantastic, and Godspeed.

But how to we stop it from happening again - or are we just like the Matrix and the machines - destined to keep repeating this over and over throughout history? Is there a way to win once and for all?

That's my question and task for my descendants.

Man linked to 9/11 attacks on U.S. captured in Syria: Pentagon

Reuters Staff 2 MIN READ

WASHINGTON (Reuters) - A man linked to the Sept. 11, 2001, attacks on the United States, who was said to have praised "violent jihad," was captured in Syria by U.S.-backed forces more than a month ago, the Pentagon said on Thursday.

"We can confirm that Mohammad Haydar Zammar, a Syrian-born German national, was captured more than a month ago by SDF (Syrian Democratic Forces) partners as part of their ongoing operations to defeat ISIS inside Syria," Pentagon spokesman Eric Pahon said, using an acronym for Islamic State.

The Syrian Democratic Forces are an alliance of militias in northern and eastern Syria.

"We are working with our SDF partners to obtain additional details," Pahon said.

The 9/11 Commission report, a Congressional account on the 2001 attacks, said Zammar was an "outspoken, flamboyant Islamist" who extolled "the virtues of violent jihad."

It said Zammar reportedly had taken credit for influencing Ramzi Binalshibh, who is accused of wiring money to September 11 hijackers and passing information to al Qaeda operatives, and Mohammed Atta, who led the attack on the World Trade Center in New York City.

U.S. officials have said that there are hundreds of foreign fighters and thousands of Syrian Islamic State militants in SDF custody.

"Pelosi said her concerns about the North's proliferation deepened after a trip to the North many years ago.

"When we went to Pyongyang, and we talked about missiles, we talked about MIAs and POWs, we talked about home, we talked about a number of subjects. But about the missiles, because the development of missiles was a national security issue of concern," Pelosi said.

"They said, 'Look, we just make these to sell. You want to buy them? We'll sell them to you,'" she said. "

Drudge re McMaster Father ....PNG

PHILADELPHIA (CBS) – Authorities in Philadelphia are investigating the death of the father of President Donald Trump's former national security adviser, sources tell CBS3.

According to the Pennsylvania Department of Health, H.R. McMaster Sr., the father of Gen. H.R. McMaster, died on April 13 at the Cathedral Village Retirement Community located in the 600 block of East Cathedral Road.

The health department confirms he died of blunt impact trauma to the head and the manner of death was determined to be an accident.

But sources tell CBS3 that Philadelphia police and the Pennsylvania Attorney General's Office are investigating the possibility of institutional neglect after he fell.

Sources could not provide further details at this time.

Gen. McMaster served under Trump as the 26th National Security Advisor. In March, he resigned from his role and was later replaced by former U.S. Ambassador John Bolton.

PENTAGON KILLS LIFELOG

PROJECT

THE PENTAGON CANCELED its so-called LifeLog project, an ambitious effort to build a database tracking a person's entire existence.

Run by Darpa, the Defense Department's research arm, LifeLog aimed to gather in a single place just about everything an individual says, sees or does: the phone calls made, the TV shows watched, the magazines read, the plane tickets bought, the e-mail sent and received. Out of this seemingly endless ocean of information, computer scientists would plot distinctive routes in the data, mapping relationships, memories, events and experiences.

CHONGQING, China — For more than a decade, Chinese automakers have been talking about starting large-scale exports to North America and Europe, prompting periodic worries in the West that companies like General Motors, Ford and Volkswagen might be crippled by Chinese competition the way they were by Japanese imports a generation ago....

I get the basic chemical connection but baby on floor, etc doesnt make the connection to chemical false flag in syria to me. unless baby on floor means **[F]**all and hand in mouth means **[F]**eed

pepe_dancing.png

>>974006
The connection is simply chlorine...not false flag.

Keep in mind that every crumb is not meant to be solved before the event. Some of the drops are things for anons to dig on and make connections with, others are markers for future reference.
>**[future proves past]**
Some drops are just simply communication to the anons.

What needs to be understood to appreciate whats going here is the fact the Q is basically creating a circular flow diagram that can be referenced and cross-checked with news releases. Q can't just disclose specifics about a situation or operation without violating security protocol. Instead they drop questions and statements that lead to answers that can be understood once the subject becomes public. This provides the validation necessary for the public to believe The Great Awakening is legit. Disinformation and misdirection with Q is real. In other words Q is pointing over there but really the focus is here and only until you publicly get the news can you go back and understand. (Think SA drops) All of this is accomplished without giving up specific details about the operation. It's quite genius.

Thank you for making my terrible day a little better. Feeling a bit like POTUS today. Had a coworker lie about his screw up and blame it on me. My heart goes out to President Trump. The attack made on me is minuscule in comparison to the attacks our president

and now the Q team experiences on a daily basis.
I wish I could give all of y'all a big hug and express to you how grateful I am for what y'all are doing for us and our country. I am so thankful we have a president now who calls out the media and KNOWS his people are smart enough to discern the truth for themselves. We are sick of the conjecture and half assed journalism!! So thank you again for everything. It means worlds more than you could ever know for us to have a president who believes in the greatness of WE THE PEOPLE!
Do you think POTUS could give us a confirmation? Kind of like a symbolic hug?
Sending my love and prayers <3
God speed.

TRUMP UNHAPPY WITH JEFF SESSIONS TRAVESTY OF JUSTICE

The president appears unhappy with Attorney General Jeff Sessions failure to investigate the Clintons, despite recent revelations about their “crooked” behavior.

Trump said he thought Clinton’s “deleted E-mails, Uranium, Podesta, the Server, plus, plus…” all deserved closer scrutiny.

TRUMP : At some point, the Justice Department, and the FBI must do what is right and proper. The American public deserves it!

“People are angry,” Trump continued on Twitter. “At some point, the Justice Department, and the FBI must do what is right and proper. The American public deserves it!”

Trump also spoke about his frustration with the Justice Department in an interview with Fox News host Laura Ingraham.

“The saddest thing is because I’m the President of the United States, I’m not supposed to be involved in the Justice Department, I am not supposed to be involved in the FBI,” Trump said. “I’m not supposed to be doing the kinds of things I would love to be doing and I’m very frustrated by it.”

Trump indicated that he wanted the Justice Department to investigate the Clintons.

TRUMP: WHY IS JUSTICE DEPARTMENT NOT GOING AFTER HITLERY?

TRUMP MAD AND UPSET WITH JEFF SESSIONS

Trump signaled frustration with Attorney General Jeff Sessions for failing to target the Clintons.

President Trump ran on the promise to "lock her up" and it's time that he delivers on that promise. It's truly time for our President to drain the swamp, and if politicians like Jeff Sessions is unwilling to prosecute Hillary and Obama and to uphold his freaking oath, then Sessions should be to be the first in line to get flushed down the toilet. The American people are sick and tired of being promised that Hillary and Obama will pay for their crimes, only to be disappointed.

A grand jury in August returned an indictment in the U.S. District Court for the District of Columbia charging Awan and his wife, Hina Alvi, with a total of four counts, which included federal bank fraud and conspiracy. Awan has pleaded not guilty to all charges.

"Whatever happened to them?" Trump continued. "With the two servers that they broke up into a million pieces? Whatever happened to him?"

Every user on Twitter will soon be able to apply for a coveted blue tick verification mark, the company's CEO Jack Dorsey said in a live stream on Thursday.

Using Periscope from the firm's San Francisco headquarters, Twitter executives revealed the process was being reworked from the ground up. They said the current system creates confusion and can imply credibility, but stressed that it will still be important to let users have a way to evaluate if profiles are legitimate.

I confess. I was an #IBOR resister. It didn't make sense to me since free speech is already guaranteed in our constitution.

But, thinking logically, the one thing that would scare the data-mining cabal the most is an articulated right to privacy when using the internet.

No more data mining for ads. No more algorithms screwing up how we communicate with others on Facebook. No more capturing my favorite soda to sell to a competitor who might want to make me buy something else.

Also, and really important to me, is the right to be forgotten. It's already been

We should have a right to disappear.

So if this continues to be a thing, think of it way beyond being censored for free speech. Think of it in terms of privacy, too. No more selling personal information. No more dedicated IPs to track your every move. No more email apps that pre-select your possible replies, because no more email being mined.

Mail could be configured with the same privacy rights as US mail, for example.

Last I'll post on this one. But if it goes forward, please consider expanding the scope.

Also keep in mind that there's more than the WH petition site to make your ideas known. Most of us have senators and congressmen to represent us in Washington, D.C. Maybe talk to a real person?

More Steel connections with HRC & CF?

One of the attendees at these conferences speaks to the stickiness of some donor relationships.

Victor Pinchuk, a steel magnate whose father-in-law, Leonid Kuchma, was president of Ukraine from 1994 to 2005, has directed between $10 million and $25 million to the foundation. He has lent his private plane to the Clintons and traveled to Los Angeles in 2011 to attend Mr. Clinton's star-studded 65th birthday celebration.

Between September 2011 and November 2012, Douglas E. Schoen, a former political consultant for Mr. Clinton, arranged about a dozen meetings with State Department officials on behalf of or with Mr. Pinchuk to discuss the continuing political crisis in Ukraine, according to reports Mr. Schoen filed as a registered lobbyist.

"I had breakfast with Pinchuk. He will see you at the Brookings lunch," Melanne Verveer, a Ukrainian-American then working for the State Department, wrote in a June 2012 email to Mrs. Clinton.

Q, Anons, I've been following these drops since day one, but this is the first I'm hearing of this "Behold a Pale Horse" book from 1991, by Bill Cooper. It actually describes clowns planning to use school shootings as a way to disarm the citizenry.

This looks legit to me, astonishing as the quotes are. What say you all?

Behold a Pale Horse — Milton William (Bill) Cooper, 1991
http:// a.co/0IZY9ra

“Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in topsecret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the secret government, and UFOs. Bill is a lucid, rational, and powerful speaker whose intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events that he had seen plans for back in the early 1970s. Bill correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall, and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from top secret documents that he read while with the Intelligence Briefing Team and from over seventeen years of research.”

"There is no allegation in this indictment that any American was a knowing participant in this illegal activity," Rosenstein said. "There is no allegation in the indictment that the charged conduct altered the outcome of the 2016 election."

Future proves past:

In an effort to preserve the integrity of all U.S. elections, as ordered by the President of the United States, after an extensive investigation in select counties (the 'sampling'), the DHS has concluded that while Russian entities (as outlined within SC Mueller's investigation were complicit in attempting to undermine the presidential election of 2016) had no direct impact or bearing on the outcome of the presidential election, nor were any U.S. person(s) knowingly part of such an attempt to sabotage as it relates to the Russian investigation, U.S. and other foreign entities (as further described within DHS**[XXXX]**), acting outside of Russian agents, did attempt on numerous occasions, and were successful, in interfering w/ the presidential election of 2016, senate elections of **[x, y, z]**, **[x]** elections, whereby several million of illegal, non-resident ballots (the "irregularities") were counted, while legal ballots were improperly tabulated and/or intentionally mishandled. The DHS will be submitting a final report to the WH/DOJ/other state and local agencies outlining our findings as early as March **[ ]**, 2018. While this report only encompasses a sampling of twenty-two (22) counties across the U.S., it is strongly suggested, based on the evidence provided, that a mandated countrywide investigation begin under the recommended US50-EIC guidelines as set forth in Section VII of the final report. even know if it has relevance.

Cell phones were originally analog. The switch over to digital was very gradual. Digital signals allow for much greater distance to be covered on much less power (thus miniaturization of phones) because of the nature of square (digital) waves. Much more effective at filtering noise and interference.

This inherently means that the phones of today are going to be square wave signals and very low power. If that alone were enough, Q would not exist. They would simply shut him (them) and/or us down. So they may act as a trigger but are not enough by themselves to completely program a human. And Parkland would suggest that you really need somebody who is largely predisposed toward moving in the desired direction to begin with. You can't just flip a switch and a born pacifist suddenly becomes Rambo. Talk to me, Johnny!

The experiments were exported to Canada when the CIA recruited Scottish psychiatrist Donald Ewen Cameron, creator of the "psychic driving" concept, which the CIA found particularly interesting. Cameron had been hoping to correct schizophrenia by erasing existing memories and reprogramming the psyche. He commuted from Albany, New York to Montreal every week and was paid $69,000 from 1957 to 1964 to carry out MKULTRA experiments there. In addition to LSD, Cameron also experimented with various paralytic drugs as well as electroconvulsive therapy at thirty to forty times the normal power. His "driving" experiments consisted of putting subjects into drug-induced coma for weeks at a time (up to three months in one case) while playing tape loops of noise or simple repetitive statements. His experiments were typically carried out on patients who had entered the institute for minor problems such as anxiety disorders and postpartum depression, many of whom suffered permanently from his actions.**[8]** His treatments resulted in victims' incontinence, amnesia, forgetting how to talk, forgetting their parents, and thinking their interrogators were their parents.**[9]** **[10]**

"Former Deputy Director General of ROSATOM Vyacheslav Pershukov has been appointed ROSATOM's special representative for international scientific and technical projects.
His responsibilities will include: Russia's representation at the international thermonuclear experimental reactor ITER; the creation of a centre for the study of ions and antiprotons in Europe; and the organisation of an international research centre for Russia's multipurpose sodium-cooled fast neutron research reactor, or MBIR by its Russian acronym.

I would like to inquire of Q (with highest respect) whether RED_OCTOBER refers to

OP:MKBRD is a CIA Media control

Who in the media right now is GLORIFYING NK to spite the Trump Admin?

Time to take the offensive. Lets start taking names of all journalists that propagate NK. Lets not let them hide behind their banners anymore.

Let's play HUNT THE SPOOK

>>339583
Ask yourself, why is NK participating in the O-games this year?
Ask yourself, why is the 'sister' w/ Pence?
Ask yourself, if controlled, how might you protect yourself and look for a way out?
Ask yourself, what is a distraction?
Ask yourself, why did Korea come together as a country v N&S?
Ask yourself, what occurred in Asia (ref pics) just prior to the O-games?
Ask yourself, what does FREED mean?
Ask yourself, do we want a WAR?
Ask yourself, who is trying to start a WAR?
Ask yourself, if a missile was launched by rogue actors, what would be the purpose?
Ask yourself, what would/should immediately start a WAR?
Ask yourself, would the PUBLIC understand the following statement: "Rogue actors (Clowns/US former heads of State) initiated a missile launch in order to 'force' the US into a WAR/conflict against X?"
Be the autists we know you are.
Those who cannot understand that we cannot simply start arresting w/o first ensuring the safety & well-being of the population, shifting the narrative, removing those in DC through resignation to ensure success, defeating ISIS/MS13 to prevent fail-safes, freezing assets to remove network-to-network abilities, kill off COC to prevent top-down comms/org, etc etc. should not be participating in discussions.

This is pure speculation and probably just fitting things in places, but....From the latest trump tweet, just taking the first 3 Letters of the capital letters I come up with

[[TBA - MIS - MAG - RDB]]

TBA = To Be Announced

MIS = Management Information System

Management Information Systems are typically organized around the functional areas of an organization. Learn about some of the most common applications of Management Information Systems.
MAG = Make America Great

RDB = Relation Database Management

RDB is a fast, portable, relational database management system without arbitrary limits, other than memory and processor speed) that runs under, and interacts with, the UNIX Operating system.

==========

Is Q/Pres going to use a MIS to MAG with compents from a RDB aka coded leaks to or from the NSA/WIKI soon to blow EVERYTHING wide open and show us the LIGHT?

Barlow was sometimes held up as a straw man for a kind of naive techno-utopianism that believed that the Internet could solve all of humanity's problems without causing any more. As someone who spent the past 27 years working with him at EFF, I can say that nothing could be further from the truth. Barlow knew that new technology could create and empower evil as much as it could create and empower good. He made a conscious decision to focus on the latter: "I knew it's also true that a good way to invent the future is to predict it. So I predicted Utopia, hoping to give Liberty a running start before the laws of Moore and Metcalfe delivered up what Ed Snowden now correctly calls 'turn-key totalitarianism.'"

Barlow's lasting legacy is that he devoted his life to making the Internet into "a world that all may enter without privilege or prejudice accorded by race, economic power, military force, or station of birth . . . a world where anyone, anywhere may express his or her beliefs, no matter how singular, without fear of being coerced into silence or conformity."

In the days and weeks to come, we will be talking and writing more about what a extraordinary role Barlow played for the Internet and the world. And as always, we will continue the work to fulfill his dream.

>Obviously the train slowed down so must have been warned...

I think it was warned.

Helicopter surveillance saw the truck and warned the engineer.

I'm guessing truck was kitty korner between the crossbucks with the back end (dumpster lift hydraulics boom) facing the oncoming train.

Train hits boom, spins truck around and rips body off the cab, leaving the cab at the crossing. Train drags truck body down the tracks until the body rolls off down the embankment.

Question is, if truck tried to run crossing, why didn't occupants flee cab when getting stuck, unless train hit the truck just as it was trying to run the crossing.?

Have to figure, though, if aerial surveillance sees truck and warns engineer, the truck had to have been there for a while, so why didn't occupants flee?

If the truck was there as a plant, the only sense I can make of it is that the occupants were patsies, i.e., they were told they were only going to force the train to stop, on the idea of an antifa protest.

I don't think surveillance would see a truck headed towards the crossing and tell the engineer to brake, assuming the truck would stop on the tracks. However, it could be that the access road was closed and any traffic was regarded as a danger.

Key is how fast does an amtrak train usually go through there, and how fast was this one going. If this train was slower, then why?

Im British, and have been on the Trump train for about a year and a half. Like most people, when i first heard Donald Trump was running for president i was very skeptical.

But then something magical happened. I watched one of his rallies. And i saw the look.in his eye. The words in his tounge. He spoke about draining the swamp, and didnt care for Politically Correct nonsense that is killing society. He bellow words of America First. And it was glorious!

The moment that 100% solidified in my mind that DJT was legit was at the new york dinner. Where he and Hilary had to make a speech infront of the elite. I rememebr Mr Trump imsulting them to their face - the look on their faces was something i will never forget.

He has had the MSM attacking him 24/7 and still stands strong. Immigration is down, black unemployment is down, Hispanic too, and lets not forget how the value of the USD value skyrocketting.

I think that President Trump is the greatest person to have walked this Earth. And so are persons like Q, who have been working in the shadows for the good of all.

God speed everyone.
God speed.

On a side note: any chance after USA has been un-corrupt, can you maybe sort out the UK. We are hurting. Bigly ;)

What would happen if texts originating from a FBI agent to several **[internals]** discussed the assassination (possibility) of the POTUS or member of his family?
What if the texts suggest foreign allies were involved?
Forget the Russia set up **[1 of 22]**.
This is only the beginning.
Be careful what you wish for.
AS THE WORLD TURNS.
Could messages such as those be publicly disclosed?
What happens to the FBI?
What happens to the DOJ?
What happens to special counsel?
What happens in general?
Every FBI/DOJ prev case could be challenged.
Lawless.
Think logically.
We haven't started the drops re: human trafficking / sacrifices **[yet][worst]**.
Those **[good]** who know cannot sleep.
Those **[good]** who know cannot find peace.
Those **[good]** who know will not rest until those responsible are held accountable.
Nobody can possibly imagine the pure evil and corruption out there.
Those you trust are the most guilty of sin.
Who are we taught to trust?
If you are religious, PRAY.
60% must remain private **[at least]** - for humanity.
These people should be hanging.

RR shutdown on Jan 4 for power outage (need sauce but should be accurate)
>When did POTUS Tweet the above?
28-29 December (itw on 28, excerpts and Luke Roziak tweet on 29)
>Why is this relevant?
Because Awan is key to a lot of digital information tied to the DNC

AIDS is trending on Twitter. NYT ran this story today with sources saying POTUS said:

"Haiti had sent 15,000 people. They “all have AIDS,” he grumbled, according to one person who attended the meeting and another person who was briefed about it by a different person who was there."

Fleiss:
Her cadre of high-class hookers once commanded $1,500-a-night from high-rolling celebrity clients

At the height of her infamy Fleiss was known as the Hollywood Madam. She was busted at her home in June 1993 by the LAPD

Her father, Dr. Paul Fleiss, a prominent L.A. pediatrician, oversaw the birth of Madonna's firstborn child.

Although apparently not a Catholic, she attended a Catholic high school, for which she later tried to raise money by auctioning off a night out with her and then boyfriend Tom Sizemore. The school forced her to cancel due to publicity.

Served time from January 1997 - 21 November 1998 in Dublin, California, USA, on charges of tax evasion and money laundering.

Second cousin of Mike Fleiss

Launched a line of clothing called Heidi Wear. Her Los Angeles boutique, The Little Shop of Sex, is scheduled to open in 2005, and she has plans to open a legal brothel in Nevada.

Author of several titillating books including "Pandering" and "The Player's Handbook," and a DVD titled "Sex Tips" with Victoria Sellers.

Dropped out of high school in the 10th grade.
When she was 22 years old, she met Madame
Alex, a well-known Los Angeles brothel owner. Fleiss soon took over Madame Alex's business.

Fleiss brought her young friends to work for her, and the business grew from $50,000 a month to grossing $300,000 per month.

Played matchmaker to the richest men in the world, carefully pairing them with women tailored to their fantasies, making all the financial and travel arrangements, and keeping 40 percent of the fee for herself.

Attended the same high school as Bo Barrett, Leonardo DiCaprio, Anne-Marie Johnson, and Julie Newmar.

Prohibited from entering Canada due to her indictable offence, according to Canadian criminal law.

Tues Nov 4th,

Who financed 9-11?
Who was Bin Laden's handler?
Why was the Clowns In America tasked to hunt/kill/capture UBL?
Why not MI?
If we found UBL, eliminated his security, why would we immediately kill him and not take him alive?
Why wouldn't we want to capture UBL alive and extract other possible T-level events?
Perhaps someday people will understand ‘they' had a plan to conduct ‘another' mass extinction event.
WWI & II - orchestrated and planned by select families?
Fantasy land.
Remember, the more people there are, the more power the people have.
Why do D's push for gun control ‘directly' after every tragic incident?
Why is this so very important to their agenda?
We, the people, are who they are afraid of.
We, the people, are who they fear will one day awake.
Our Father who art in heaven,
Hallowed be thy name.
Thy kingdom come.
Thy will be done
on earth as it is in heaven.
Give us this day our daily bread,
and forgive us our trespasses,
as we forgive those who trespass against us,
and lead us not into temptation,

but deliver us from evil.

South Korea calls North Korea daily:

"The ministry has to keep pestering Pyongyang over the military and Red Cross talks," he said. "It has to keep placing calls on the Panmunjom telephone. The situation can quickly change and North Korea could feel the need for dialogue. When they do return, they will likely want to deal with the United States first, but let them try to accomplish anything in talks with Washington without the involvement of Seoul — it won't work."

Current conclusions?
so Titanic -> Rothchild screws America by making our money worthless -> crash of 29 -> Tons new government which doesn't fix the problem Rothchild created (but a war helps) -> cia -> everyone blackmailed with sex tapes -> media consumed cia -> Country forced hard left -> population to puppets -> Causes uprising by certain Patriots like Kennedy/Reagan/Trump and while they managed to kill Kennedy and outlast Reagan enough lessons were learned that we are now finally ready to clean house and become America again?

Who financed 9-11?
Who was Bin Laden’s handler?
Why was the Clowns In America tasked to hunt/kill/capture UBL?
Why not MI?
If we found UBL, eliminated his security, why would we immediately kill him and not take him alive?
Why wouldn’t we want to capture UBL alive and extract other possible T-level events?
Perhaps someday people will understand ‘they’ had a plan to conduct ‘another’ mass extinction event.
WWI & II - orchestrated and planned by select families?
Fantasy land.
Remember, the more people there are, the more power the people have.
Why do D’s push for gun control ‘directly’ after every tragic incident?
Why is this so very important to their agenda?
We, the people, are who they are afraid of.

We, the people, are who they fear will one day awake.
Our Father who art in heaven,
Hallowed be thy name.
Thy kingdom come.
Thy will be done
on earth as it is in heaven.
Give us this day our daily bread,
and forgive us our trespasses,
as we forgive those who trespass against us,
and lead us not into temptation,
but deliver us from evil.

For the coming days ahead.
Ask yourself an honest question, why would a billionaire who has it all, fame, fortune, a warm and loving family, friends, etc. want to endanger himself and his family by becoming POTUS?
Why would he want to target himself and those he cares about?
Does he need money?
Does he need fame?
What does he get out of this?
Does he want to make the US/world a better place for his family and for those good and decent people who have long been taken advantage of?
Perhaps he could not stomach the thought of mass murders occurring to satisfy Moloch?
Perhaps he could not stomach the thought of children being kidnapped, drugged, and raped while leaders/law enforcement of the world turn a blind eye.
Perhaps he was tired of seeing how certain races/countries were being constantly abused and kept in need/poor/and suffering all for a specific purpose.
Perhaps he could not in good conscious see the world burn.
Why, hours after the election, did seven people travel to an undisclosed location to hold a very private & highly secured/guarded meeting?
Why didn't HRC give a concession speech?
When was the last time a presidential candidate didn't personally give a concession speech?
What happens if the border remained open and the MSM continued to brainwash?
At what point do Patriots, and hard working men and woman, become the minority?
What about voting machines?
Who owns the voting machines?
What about voter ID laws?
Photo ID? When is it necessary and must be presented? Make a list. Laugh.
Reconcile.
Would the chances of defeating evil grow less and less with each passing year?
What does 'red line' mean?
Why, again, were the arrests made in SA so very important?
What strings were immediately cut?
Follow the money.
When does a bird sing?

Why is MS13 a priority?
Could people pay such gangs to kill opponents and why / how to insulate against exposure?
The truth is mind blowing and cannot fully be exposed. These people are evil.
Why wasn't HRC prosecuted for the emails?
Put simply, Obama ultimately OK'd by using the non govt email addy to communicate w/ Clinton.
Obama also had an alias along with each of his cabinet members. Therefore indicting HRC would lead to indicting Obama & his cabinet etc which could never happen.
Remember he lied about knowing but that ultimately came out in the dump. Poof!

"The LORD is my shepherd, I lack nothing. He makes me lie down in green pastures, he leads me beside quiet waters, he refreshes my soul. He guides me along the right paths for his name's sake. Even though I walk through the darkest valley, I will fear no evil, for you are with me; your rod and your staff, they comfort me. You prepare a table before me in the presence of my enemies. The Clinton campaign is attempting once again to sweep important questions under the rug about top aide Huma Abedin, her family ties to the Muslim Brotherhood and to Saudi Arabia, and her role in the ballooning Clinton email scandal.
Her mother, Saleha Abedin, sits on the Presidency Staff Council of the International Islamic Council for Da'wa and Relief, a group that is chaired by the leader of the Muslim Brotherhood, Sheikh Yusuf al-Qaradawi.

Journal and the Muslim Brotherhood.

The Clinton surrogate group Media Matters claimed predictably there was “no evidence” that Ms. Abedin or her family had ties to the Muslim Brotherhood, and that Trump campaign staffers who spoke of these ties were conspiracy theorists.

To debunk the evidence, Media Matters pointed to a Snopes.com “fact-check” piece that cited as its sole source... Senator John McCain. This is the same John McCain who met Libyan militia leader Abdelkarim Belhaj, a known al Qaeda associate, and saluted him as “my hero” during a 2011 visit to Benghazi.

My fellow Americans, over the course of the next several days you will undoubtedly realize that we are taking back our great country (the land of the free) from the evil tyrants that wish to do us harm and destroy the last remaining refuge of shining light. On POTUS' order, we have initiated certain

unity, and return power to the people.

It is our hope that this message reaches enough people to make a meaningful impact. We cannot yet telegraph this message through normal methods for reasons I'm sure everyone here can understand. Follow the questions from the previous thread(s) and remain calm, the primary targets are within DC and remain at the top (on both sides). The spill over in the streets will be quickly shut down. Look for more false flags – stay alert, be vigilant, and above all, please pray.

Confirmation (to the public) of what is occurring will then be revealed and will not be openly accepted. Public riots are being organized in serious numbers in an effort to prevent the arrest and capture of more senior public officials. On POTUS' order, a state of temporary military control will be actioned and special ops carried out. False leaks have been made to retain several within the confines of the United States to prevent extradition and special operator necessity. Rest assured, the safety and well-being of every man, woman, and child of this country is being exhausted in full. However, the atmosphere within the country will unfortunately be divided as so many have fallen for the corrupt and evil narrative that has long been broadcast. We will be initiating the Emergency Broadcast System (EMS) during this time in an effort to provide a direct message (avoiding the fake news) to all citizens. Organizations and/or people that wish to do us harm during this time will be met with swift fury – certain laws have been pre-lifted to provide our great military the necessary authority to handle and conduct these operations (at home and abroad).

>What must be completed to engage MI over other (3) letter agencies
During the 1950s and 60s, federal troops and federalized National
Guard forces, accompanied by military intelligence personnel, were
deployed to help integrate Southern schools23 and to help deal with
civil disorders in Detroit in 1967 and other cities the following year
after the assassination of Dr. Martin Luther King Jr.24 Throughout
this period military intelligence units also continued to collect data on
Americans at home who were suspected of involvement in subversive
activities.25 In the late 1960s, the Pentagon compiled personal
information on more than 100,000 politically active Americans in an
effort to quell civil rights and anti-Vietnam War demonstrations and
to discredit protestors.26 The Army used 1,500 plainclothes agents to
watch demonstrations, infiltrate organizations, and spread
disinformation. 2
' According to one report, the Army had at least one
observer at every demonstration of more than twenty people.28
The Army's activities were summed up by Senator Sam Ervin:
Allegedly for the purpose of predicting and preventing
civil disturbances which might develop beyond the control of
state and local officials, Army agents were sent throughout
the country to keep surveillance over the way the civilian
population expressed their sentiments about government
policies. In churches, on campuses, in classrooms, in public
meetings, they took notes, tape-recorded, and photographed
people who dissented in thought, word, or deed. This included clergymen, editors, public officials, and anyone who sympathized with the dissenters.

Note MI has the same SAPs as NSA, CIA etc as designated post 9-11.
Why is this relevant?
Who can be held hostage and controlled?
CIA thinks its foreign offshore assets are strong enough to defend against the US executive (not accounting for military use on domestic soil).
Why does the Constitution explicitly grant this authority to the President and what is it to prevent?
They knew our agencies would grow in power so much so they could/can hold the executive hostage or engage with bad actors.
Trump nominated someone new to direct every agency but one. He controls the top.

Why do D's want to control the black pop?
Why do they intentionally keep poor and in need?
Why do D's project racism on a daily basis against R's?
Why do black elected officials do the crazy talk on behalf of D's?
How do D's cover the historical facts of forming the confederacy, KKK, and oppose all things pro black re: legislation?
What happens if D's lose the slave grip on the black pop?
Why do D's, through the funding of the CIA, prop up and install Hollywood/media assets?
Does this fall within Operation Mockingbird?
What were the historical advantages D's gained by having MSM and famous people peddling narrative?
Who exposed the pedo network within H wood?
You can't answer the above but will laugh once disclose details.
The network which controls this false narrative which in turns keeps the black pop under control is being dismantled.

Get the popcorn, Friday & Saturday will deliver on the MAGA promise. POTUS knows he must clean house (gov't) in order to 'free up' and demonstrate who has authority in order to pass important legislation. This was always the priority. Remember, AG Sessions cannot look like an impartial player that is out to get all former Obama team members as we need him for other important work. All will come into focus and for anyone to think POTUS is

you didn't know, shills log and send new info back to ASF for instruction. They use a 5 prong pre packaged injection (one post auto generates four more at random designated times). Common drive of posts they all tap into. Since they misjudged the influence of the MSM they are aggressively looking to censor throughout major platforms in exchange for CIA slush funds and WW access for expansion of said networks. Everything they do has been forecasted and prepared for.

11.3 - Podesta indicted
11.6 - Huma indicted

Manafort was placed into Trump's camp (as well as others). The corruption that will come out is so serious that deals must be cut for people to walk away otherwise 70% of elected politicians would be in jail (you are seeing it already begin). A deep cleaning is occurring and the prevention and defense of pure evil is occurring on a daily basis.
